SUBJECT: Central Training Schools.

LAND FORCES SUB COM. A.C. (MILIA)

SD/45/2

23 Nov 45

TO : G.H.Q., C.M.F.

'F' BL & TU for R.F.C., I.C.F.

Change of designation

1. It is proposed that the title of the above British unit organised on WE CM/1018/1 and located at Cesano in FAAC be changed, w.e.f. 15 Nov 45. The proposed title is No. 12 British Liaison Unit for The Italian Central Military Schools Cesano. (12 BU CESANO).
2. The reason for the proposal is that with the reorganisation of the Italian Army consequent upon the handing over to Italian control of the Interim Army, the Italian Combat Force as such has ceased to exist. The function of the Cesano training establishments has now widened and embraces instructors and specialists of all arms for the whole Italian Army. Therefore the Italian War Ministry is changing the name of the Italian organisation, formerly based on the Piacenza Division, to 'The Central Military Schools Cesano'.

1. It is proposed that the title of the above British unit organised on WE CW/1018/4 and located at Cesano in RMAC be changed, v.c.f. 15 Nov 45. The proposed title is No. 12 British Liaison Unit for The Italian Central Military Schools Cesano. (12 BLU CESANO).

2. The reason for the proposal is that with the reorganization of the Italian Army consequent upon the handing over to Italian control of the Interim Army, the Italian Combat Force as such has ceased to exist. The function of the Cesano training establishments has now widened and embraces instructors and specialists of all arms for the whole Italian Army. Therefore the Italian War Ministry is changing the name of the Italian organisation, formerly based on the Piacenza Division, to "The Central Military Schools".

3. In view of the org of 11 other BLU's for the Italian Army, your letter WSM/163 of 13 Nov 45 refers, we recommend this BLU be numbered 12.

SUBJECT: Organisation of the Interim Army - Adm Tps.

LAND FORCES SUB COM., L.C. (S.M.I.A.)

SD/92/3

12 Nov 45

TO : MINISTRY OF WAR

Ref your 16704/Ord/41 prot of 6/5/45, and further to our SD/92/3 of 8 Nov 45.

1. The breakdown of the 31,000 Adm Tps given in your c/n letter has been carefully considered by this HQ. Attached as Appdx 'A' is the breakdown agreed by this HQ. This breakdown has been divided for clarity into two types of unit.

- (a) Integral Units of the Interim Army. D of C units for Inf Divs, transferred from BR-III category, are included among these units.
- (b) Units which it will be necessary to retain temporarily but which will not be considered as integral units of the Interim Army.

Details of each Service breakdown are given in Appendices as set out below:

Appendix 'B'	-	Medical
Appendix 'C'	-	Communications (Supplies, Clothing & Equipment)
Appendix 'D'	-	Artillery
Appendix 'E'	-	MF (incl Tpt units and Repair units)
Appendix 'F'	-	Engineers
Appendix 'G'	-	Signals
Appendix 'H'	-	Movements
Appendix 'I'	-	Veterinary and Remounts
Appendix 'J'	-	Military Tribunals
Appendix 'K'	-	Military Penal Institutes
Appendix 'L'	-	Geographical Institutes
Appendix 'M'	-	Welfare
Appendix 'N'	-	Reprinted F of W camps
Appendix 'P'	-	Transit camps

0513

(b) Units which it will be necessary to retain temporarily but which will not be considered as integral units of the Interim Army.

Details of each Service breakdown are given in Appendices as set out below:

- Appendix 'B' - Medical
- Appendix 'C' - Commissariats (Supplies, Clothing & Equipment)
- Appendix 'D' - Artillery
- Appendix 'E' - MT (incl Tpt units and Repair units)
- Appendix 'F' - Engineers
- Appendix 'G' - Signals
- Appendix 'H' - Movements
- Appendix 'J' - Veterinary and Remounts
- Appendix 'K' - Military Tribunals
- Appendix 'L' - Military Penal Institutes
- Appendix 'M' - Geographical Institutes
- Appendix 'N' - Welfare
- Appendix 'O' - Repatriated P of W camps
- Appendix 'P' - Transit camps

2. It should now be possible therefore to include in the Skeleton Order for the Interim Army all the units necessary to form part of the 31,000 in accordance with the attached Appendices.

3. The breakdown of the Territorial HQ and Depots is still under consideration. The decision of this HQ follows earliest.

4. Specialist training units are not included in the attached Appendices but will be included later in the 10,000 allocated to Trg and Rfts.

5. War Establishments

(a) The provision of final war establishments for these units will be left to the discretion of the War Ministry but figures as given should not be materially altered.

(b) It is suggested that the necessary war establishments should be considered and approved by the committee to be constituted by you vide para 4 of our SD/92/3 of 3 Nov.

War Establishments (Cont'd)

- 2 -

(c) It is considered that it would probably be desirable to amend the present system of numbering war establishments as many existing establishments will be cancelled or amended and new establishments will need to be passed, including those for converting BR-TI establishments. It is therefore recommended that all existing WE numbers be cancelled and that a new series be issued to cover all Interim Army establishments. It is requested that you consider this proposal so that this can be included in the discussions due to be held on the ORG of the WE committee ref para 4 of our SD/92/3 of 8 Nov. In any case until new numbers are allotted the numbers of existing WEs will be shown against the relevant units in the Skeleton Orbat for the Interim Army.

Subject: Re-org. of Italian Army-Transfer of Units to the Interim Army.

Land Forces Sub-Comm, A.C. (MAIL)

SD/92/3

8 Nov 45

To : Ministry of War

Reference Land Forces Sub Comm. Directive No 1 dated 8 Nov 45.

1. In order to give effect to the creation of the Interim Italian wef. 15 Nov it is proposed to build up the ORBAT of the Interim Italian Army in two phases.

Phase I. Transfer to ITI-III category of those US-ITI, ER-ITI and existing ITI-ITI units which will come under Italian Op. Command wef. 15 Nov 45.

Phase II. Construction of the final Interim Army. This phase to be completed as soon as possible after 15 Nov 45.

2. Phase I

(a) Given in Appendix 'A' are the categories of units which will compose the ITI-ITI category of the Italian Army, wef. 15 Nov 45. This category will be completely under Italian Op. Command.

(b) All existing US-ITI and ER-ITI units at 15 Nov not included in App. 'A' will remain under US or ER Op. Command and will continue to be held in the US-ITI and ER-ITI categories.

(c) In order to provide a clear statement of the Italian Army as at 15 Nov, when the transfer of the units shown in App. 'A' takes place, the ORBAT (2/15) due to be produced as at 8 Nov will be produced as at 15 Nov. Layout of ceilings and categories will be as in App. 'C' attached.

All disbandments and formations which take place between the date of ORBAT 2/14 and 15 Nov will be taken into account when compiling the November ORBAT.

0 5 6 0

be completed as soon as possible after 15 Nov 45.

2. Phase I

(a) Given in Appendix 'A' are the categories of units which will compose the ITI-III category of the Italian Army, wef. 15 Nov 45. This category will be completely under Italian Op. Command.

(b) All existing US-III and BR-III units at 15 Nov not included in App. 'A' will remain under US or BR Op. Command and will continue to be held in the US-III and BR-III categories.

(c) In order to provide a clear statement of the Italian Army as at 15 Nov, when the transfer of the units shown in App. 'A' takes place, the ORBAT (2/15) due to be produced as at 8 Nov will be produced as at 15 Nov. Layout of ceilings and categories will be as in App. 'C' attached. All disbandments and formations which take place between the date of ORBAT 2/14 and 15 Nov will be taken into account when compiling the November ORBAT.

(d) Until 15 Nov 45 no alteration will be made in the present system of authorising formations or disbandments of units. This HQ will also continue to control the ITI-III ceiling until 15 Nov 45.

3. Phase II

(e) As soon as final decisions are taken on the composition of the Italian Interim Army a new ORBAT should be produced by your Ministry.

(b) In the meantime a skeleton ORBAT can be prepared for discussion with G(SD) branch of this HQ. An approx. breakdown of ceiling for this ORBAT is attached at App 'D'.

(c) US-III and BR-III units will be shown in this ORBAT but will still remain under the Op. control of the US and BR authorities.

4. War Establishments

(a) It is considered that, in order to ensure the most economical use of manpower, a War Establishments Committee should be instituted forthwith by the Ministry of War.

*Relief*

8098  
...../2

0561

(a) This committee would have the duty of approving new War Establishments or amendments to existing war establishments of the Interim Army. In this way re-organisation of units, the correct allocation of staff and specialists to units and control of manpower, will be achieved.

(c) The committee should be constituted with at least one member from the Italian equivalent of the British and American staff branches, i.e. G(G3) A(G1) and Q(G4).

(d) If you so desire a member of this Mission would attend all meetings, with due notice beforehand, so that he can advise, if called upon to do so, on matters of procedure and staff policy.

(e) It is suggested that any proposals for major re-organisation of formations and units should be discussed with the appropriate branches of this HQ before being submitted to the committee.

(f) The committee should issue minutes and war establishments on a wide distribution in the same way as is already done for ER-III units by this HQ.

(g) Will you please therefore consider this matter so that details may be discussed with G (SD) branch this HQ not later than 12 Nov 45.

1. Herewith chart showing proposed lay-out of the new INTERNAL Inf Div.

2. It is intended:

- (a) that the Internal Security Regts shall be placed on exactly the same HQ as the Inf Regt in the Inf Div.
- (b) that Internal Security Divs in SICILY and SARDINIA shall be given a small HQ and skeleton tail for implementation only in those islands.

3. The lay-out has been adopted as a result of communicating between recommendations of the Italian Ministry of War and those of the DIS.

4. (a) Within the limitations imposed by available ceiling of manpower every effort has been made either to include everything asked for by everyone, or to provide something in exchange e.g. addition of two bty 17 pd as a make-weight to those who wished to retain Regt 6 pd Coys which have been deleted to provide Regt 15 Coys.

(b) The 15th of War's request for medium Arty, Artil Regts and Drilling Coys has been deferred for consideration with the Post Treaty Army.

- 5. The Army's Car 2n is admittedly open to discussion. There has not been sufficient at this stage for receipt of R.O.C. advice.
  - 6. (a) In order to keep within man-power ceiling it is probable that certain parts of the org will need to be shown "only for implementation on mobilisation for war".  
 (b) This will apply particularly to the LtW, who for tactical reasons have been very greatly expanded. It is possible that 25 Lt and 17 pl blys will have a train with only three guns per co and 44 blys with only two tps per bty.
  - 7. Details of necessary increases in SigS, ST, REHE etc are under preparation.
  - 8. The forthcoming conference in ILLAN will concern itself with planning and the broad picture. E.g. it is not proposed to discuss in detail whether the Div 2 Lt/c should have a battery/driver, nor whether 2" Mortar Team requires two or three mortars.
- Precise detail will be worked out by G(SD) MILA, keeping in view the recommendations made by DUS.

7. Details of necessary increases in SIGS, SF, HMMI etc are under preparation.

8. The forthcoming conference in MILAN will concern itself with planning and the broad picture. I.e. it is not proposed to discuss in detail whether the Div 2 i/c should have a batman/driver, nor whether 2" mortar team requires two or three porters.

Precise detail will be worked out by G(SD) MILA, keeping in view the recommendations made by HHS.

UNIT OFFICE MEMO

SI/1705

To :- Q.2

Subject :- Accommodation.

1. A suitable site has been found by this branch to house the proposed new Corpo Automobilistico driving school.
2. The barracks in question are located at CROCHINGLIA, and are now partly occupied by a guard detachment of HQ and H.Q. Coy Royal Area MURINA, are capable of housing 1500 men and the vehicles envisaged for the driving school. The premises would also be suitable for housing the mechanics school.
3. The premises appear particularly suitable for these schools, and were previously Italian Army barracks.
4. The units at present in part occupation expect to move out in November, and state that the premises will probably be handed over to the British authorities. It is requested that RAAC may be asked to return them to the Italian Army.

SUBJECT : Adm, BR - IPI Units

TO : COMA LG MILAN

Your MIL/2/G of 10 Oct addressed to this HQ.

1. It is expected that WIC AFHQ will approve the Adm Regt WE in the early part of next week, in which case the reorganisation fore-shadowed in NMTA signal SD 2993 of 4 Oct will probably commence about 29 Oct.
2. It is pointed out that 2 District is responsible for ER-IPI units within its area, and for ensuring that their adm is satisfactory. Therefore AFHQ in their letter ref AG.091.711/051 GCP-0 of 4 Sept, requested 2 District to signal agreement to and comment on the planned reorganisation. The programme is understood to have been agreed by 2 District.
3. With reference to your last para you will appreciate that the areas of responsibility within 2 District for each Italian Adm HQ are allocated by District HQ, and that within that area the Italian Adm HQ is responsible for adm (including disbandment) all ER-IPI Service Troops.
4. This HQ coniders that with the decreasing VE - IPI units, the administrative HQs as planned can adequately take care of the commitments.

*L. H. ...*

1 AND 2 ITALIAN CINEMATOGRAPH UNITS

Reference your letter 15764/Ord/1 dated 8 Aug 45.

1. Authority is not granted for the recall of the above mentioned units to Rome. It is considered that overhaul of equipment and production of a documentary film can be undertaken equally well in the north.
2. Further it is considered that the scope of these units should be widened to include the production of training films. Please examine this proposal and advise this office of your conclusions.
3. A unit styled as No.2 Italian Cinema was giving cinema shows to 10 Indian Div troops in the MONTALCONE area some two weeks ago. If this unit should be No.2 Italian Cinematograph Unit, and is still so operating, it should be withdrawn and employed solely with the Italian Army.
