Dear

618

1. I entirely sympathise with your heat over HRH.

2. When you told me about H.R.H.'s last visit, I sent for INFANTE and told him firmly that that sort of thing must not happen again.

3. On 29 Aug C.C.S., AAI sent the attached 33/2/G(Ops).

4. As applications for HRH to visit must now go through Adv. H.C. AAI, I think the solution of control of HRH is for S Army to ask Adv H.C. AAI:

(a) to refuse permission for HRH to visit.

(b) to tell NEGROMI that when permission is given he is to deal through you and NOT TOMASELLI direct.

(c) to tell HRH that he must provide his own tpt. in future, give a week's notice of programme and stick to it.

H.C. AAI, I think the solution of control of HRH is for 8 Army to ask Adv H.C. AAI:

- (a) to refuse permission for HRH to visit.
 - (b) to tell NEGROMI that when permission is given he is to deal through you and NOT TOMASELLI direct.
 - (c) to tell HRH that he must provide his own trpt. in future, give a week's notice of programme and stick to it.
5. This can all be done by HQ. Adv AAI quite politely on the grounds of "military exigency and operations."
6. Meanwhile I will again tell INFANTE that there was more trouble and friction and in future he must act as in para 4 (c).
7. Let me know whether 8 Army do as I suggest in para 4.

Best Wishes,

In Haste,

Yours,

7 Sep 44

Dear *General*,

I feel like paraphrasing Shakespeare - "Will no one rid me of this pestilent prince?" H R Hs latest is really beyond a joke.

Yesterday morning I was rung up by Ops at Main Army to say that the Crown Prince wanted to visit Tomaselli and that they didn't mind, but they hoped he would keep well out of the way and do his best to "break his bloody neck", with which I kindly aspiration I heartily concurred. That same evening I received an "Immediate" signal from Col. Negroni at A A I announcing H R Hs intention of arriving at Castiglione airfield at some unspecified time on the evening of today, Tomaselli to meet him and put him up.

Army having agreed to this visit I got permission to send an "Immediate" signal to HQ 55 Area, asking them to warn Tomaselli earliest, which would necessitate a special D R. The same night, getting on for 10 o'clock, I received another "Immediate" signal from Negroni changing the Prince's destination from Castiglione to Siena, where Tomaselli was to meet him at 4 p.m. I may comment that Siena is over 60 miles away from Cortona, on a badly potholed maintenance road, always clogged with convoys.

I did not feel inclined to ask Army's permission to send another "Immediate" signal, nor to inflict on 55 Area the burden of despatching a second special D R in the middle of the night within a few hours of the first. Accordingly I sent an "Important" signal to Clark, c/o 55 Area, which may take anything up to 48 hours to reach him, notifying the altered programme.

I am sorry that Tomaselli will have a wild goose chase to Castiglione, but this is barely ten miles away, and I have the tempered satisfaction of picturing H R H waiting long and thirstily at Siena for transport which will, I hope, not

materialise.

Tomaselli earliest, which would necessitate a special D.R. the same night, getting on for 10 o'clock, I received another "Immediate" signal from Negroni changing the Prince's destination from Castiglione to Siena, where Tomaselli was to meet him at 4 p.m. I may comment that Siena is over 60 miles away from Cortona, on a badly potholed maintenance road, always clogged with convoys.

I did not feel inclined to ask Army's permission to send another "Immediate" signal, nor to inflict on 55 Area the burden of despatching a second special D.R. in the middle of the night within a few hours of the first. Accordingly I sent an "Important" signal to Clark, c/o 55 Area, which may take anything up to 48 hours to reach him, notifying the altered programme.

I am sorry that Tomaselli will have a wild goose chase to Castiglione, but this is barely ten miles away, and I have the tempered satisfaction of picturing H.R.H. waiting long and thirstily at Siena for transport which will, I hope, not materialise.

I have now (lunch time) just been rung up by Ops at Army about this change in programme, which A.A. I had rung them up about. They enquire, with some heat, whether nothing can be done to squash H.R.H. once and for all, and they justly object to their signal services being cluttered up in the middle of a battle with streams of mutually contradictory messages about this royal rubber-neck, who always wants everything done on the spur of the moment and who never knows his own mind for two hours running.

I told them of my deliberate and calculated lèse-majesté of the previous night, and they approved my action.

From my own point of view, the position is that both I and General Tomaselli, and all his staff and transport are up to the eyes in simultaneously collecting and distributing clothing into and from three different depots between the Adriatic and Lake Trasimene, in re-organising a Labour Regiment, in co-ordinating the move of his H.Q., Depot and Transit Camp into an operational area over two to three hundred miles of traffic burdened roads, with slow and roundabout signal communications, and the Prince's perpetual interference is making our work impossible.

The Army's view is that either the Prince will behave like a normal considerate person, provide his own transport, make a programme well ahead and stick to it, or there is nothing doing, and if this nuisance does not cease the Army Commander will appeal to General Alexander.

I suspect that poor Col. Negroni has no idea how far apart Tomasselli and I now are, nor of how long it takes us to exchange messages. Perhaps Selby will put him wise on these points.

1. When I was at Gen. Tomaselli's HQ at COSTOIA on the evening of 31 Aug 44, a signal despatched by Col. Negroni on the afternoon of 30 Aug 44 was received shortly before 2000 hrs, announcing that H R H and three other officers would arrive at CASTIGLIONE airfield at 1800 hrs that day to spend the night. Gen. Tomaselli was instructed to arrange for H R H to meet Allied formation commanders in the area on the following day.

2. Transport, accommodation and food were hurriedly laid on, but the party failed to arrive, and Gen. Tomaselli and some British guests from 55 Area sat down to a spoiled dinner at 2200 hrs. Nothing was done about the suggested visits, as Gen. Tomaselli is not on the telephone, and for the same reason it was impossible to find out whether EIGHTH ARMY's permission for this visit had been obtained, on which point Col. Negroni's signal was silent.

3. I have today received a signal from Col. Negroni for Gen. Tomaselli - copy enclosed.
As usual, this asks the General to do something by a time which has already elapsed before he can get the signal. Gen. Tomaselli and all his staff are at present fully occupied in complicated arrangements for moving his HQ, the Clothing Depot

Nothing was done about the suggested visits, as Gen. Negroni's signal was silent.

3. I have today received a signal from Col. Negroni for Gen. Tomaselli - copy enclosed.
As usual, this asks the General to do something by a time which has already elapsed before he can get the signal. Gen. Tomaselli and all his staff are at present fully occupied in complicated arrangements for moving his HQ, the Clothing Depot and the Transit Camp to this side, and I am not going to disturb his work in the middle of a battle in order to dance attendance on gate-crashers, however exalted in rank.
I am therefore taking no action on this signal, nor will I on any others of the same type.

4. May it please be made clear to H R H that :-

- (a) Gen. Tomaselli has no DR, signal or telephone service to enable messages to reach him quickly.
- (b) His transport and accommodation facilities are extremely limited.
- (c) That at least a week's notice of an intended visit be given, in order to make the necessary arrangements for it, if desirable and approved.
- (d) That there are certain elementary forms of courtesy towards the Army Commander which it would be politic to observe in future.

SUBJECT: Visit of Prince of Piedmont to Florence on 12 Aug. 44.

TO : Army Sub-Commission, A.C.C. (M.M.I.A.)

1. Attached is a copy of a letter from the S.C.A.O. A.M.G. Eighth Army, dated 13 August 1944, Ref/ON/67/2. 599

2. As you will note, the S.C.A.O. Eighth Army says that M.M.I.A. were informed, possibly at short notice, that the Prince of Piedmont was not to enter Florence.

3. May we please be informed whether M.M.I.A. ever received this notice and if you did what action was taken.

13 August 44.

R.C. & M.G. Section,
H.Q., A.C.C.
A.P.O. 394.

1. I have been informed that the Prince of Piedmont visited Florence yesterday and went to the Palazzo Pitti, and also talked with partisans. 598

2. I understand that M.M.I.A. were informed of his arrival. It was decided by Army that his presence was not wise in Florence and instructions were given that he was not to enter. The notice given to M.M.I.A. was I understand so short that it may have been impossible for them to stop his entry.

3. From the point of view of A.M.G., I would point out that a visit to Florence at this stage in the City's capture by Prince of Piedmont, a matter which affects to a considerable extent, and it is extremely regretted that no intimation was given about his impending arrival. Had we received one we would most emphatically have taken the same line and requested that he should not enter the city,

4. Other than what is mentioned in para 1, it is not known by this H.Q. or by A.M.G. H.Q. in Florence, what he did or said.

Subject: Visit of Italian Under-Secretary

21/5
H.Q. S.O. (M).
C.M.F.

Ref: SF/138/C
16 May 44.

To: Army Sub Comm A.C.C.

Ref your G/2 of 11 May 44 addressed to HQ. Force 266.

1. This matter was referred to Special Operations Committee (Mediterranean) by Brigadier MILES.
2. At a meeting of the above Committee held at this HQ on Monday, 15 May, it was decided that it would not be advisable for the Italian Under-Secretary for War to visit the GARIBALDI Division at this moment in view of the recent difficulties with the Partisan 2 Corps. These difficulties now appear to be settled and it is considered undesirable that any opportunity of recurrence should be given.
3. Lt.Gen. MASON MACPARKANE was present at the meeting and concurred in the above decision.

1. In confirmation of conversations between Deputy Chief of Staff and Colonel Kerr, notice will be given in future when it is intended that a Staff Officer from this HQ shall visit an Italian Formation or Unit.
2. It will be realised that owing to staff duties such visits can seldom be planned much in advance and that notice will often be very short or indefinite in consequence.

Lt Gen Sir Noel Mason Macfarlane  
HQ ACC NAPLES

For your information my current news is as follows:

1. CONFERENCE with Marshal MESSE. My agenda for the conference puts up that 32,000 men should be available in reply to which Gen BERARDI will offer 18,600 as set forth in Appendix 'A'. He is trying to keep in being various Corps Artillery etc units which are properly speaking at ACMF disposal and I consider that he should reasonably be able to produce about 25,000. The 211 Coastal Div in Southern CALABRIA is for consideration.

2. General ORLANDO should by now have seen you about parcels for Italian prisoners of war in NORTH AFRICA. I put the matter in QUINSMITH'S hands by signal on 29th.

3. TRUCK COYS FOR ACC. My emissary Major LENTZNER has signalled me from NAPLES that organisation for the Military GT Coy from 2 District and 4th Truck Unit from PBS should now be satisfactory. He should have seen Brig LUSH about it.

4. CIVILIAN VOLUNTEERS FOR ARMY paid at civilian rates by Allies, subject to Italian Military law, and officered from Italian Army. FLAMBO have turned this down for truck drivers in signal reproduced at Appendix 'B', so soldiers will now have to be trained.

I was relying on this idea to provide specialists for ACMF requirements after March, and its rejection will have an adverse production effect: especially on eleven thousand engineers which I think can now not be provided.

5. NAVAL MANPOWER. Admiral MACGREGOR was ill in bed on 29th when MORLARY visited. Navy will send 1500 Italian ratings from NAPLES to TARANTO for port labour and a further 1300 should fall available from disbandment of coast artillery. This is a start.

6. AIR FORCE. Air Commodore FOSTER was over the other side when I visited on 28th. I promised them 4,000 pairs of boots. No reply yet about release of General OXILIA from FORCE 133 whom I have reminded by signal: they are probably asking for

be able to produce about 2,000.  
CALABRIA is for consideration.

3. TRUCK COYS FOR AGO My emissary Major LENTNER has signalled me from NAPLES that organisation for the Military of Coy from 2 District and 4 Truck Unit from PBS should now be satisfactory. He should have seen Brig LUSH about it.

7. SARDINIA. Col SIMONS reported 240 males died of starvation between first and seventeenth Feb. I signalled FREEDOM on 29, copy to you, asking them to state their policy to you.

8. SUPPLY ORGANISATION. I made a useful visit to ADRIATIC BASE SECTION in SARD on 28th in connection with some confusion there about first shipping arrivals. Situation is that we shall be building up a third by days reserve this month before we start direct issues on mainland. Estimated position with reference to AFHQ ration ceiling of 500,000 is given at Appendix 'C'.

Rear HQ (MIA), LEROUIS (LMOCE)

6 Feb 44

To: His Excellency Marshal of Italy Messe  
Chief of the Supreme General Staff

Copy to: His Excellency Gen. BERARDI  
Chief of the General Staff

Your Excellency.

1. I have recently discussed the question of provision of Motor Transport drivers for employment with Allied Armies with you as well as with Gen. BERARDI, and have since been to NAPLES and discussed the matter there.

2. I understand that the Italian Air Force are to provide requirements for Allied Air Force units, which has resulted in a reduction in the number of the Italian Air Force from 10,000 to 8,000 drivers. Allied Control Commission letter 93/MS of 1 Feb to you requested that the Italian Navy be examined as a possible source. May I please have this information as soon as possible.

3. It appears, therefore, that this total of 8,000 should be found:-

(a) From SARDINIA, in units already ordered, required as follows:

|                       |   |              |
|-----------------------|---|--------------|
| FEB (i) For MAINELAND | - | 540          |
| (ii) " CORSTON        | - | 500          |
| MAR For MAINELAND     | - | 400          |
|                       |   | <u>1,440</u> |
|                       |   | 402          |

(b) From ALL SOURCES - 6,560:  
of which 1,200 are provided by G.T. Coys Nos. 1000, 1001, 1002 already formed: leaving 5,360 to be found which are required as follows:

|       |   |              |
|-------|---|--------------|
| FEB   | - | 700          |
| MAR   | - | 2,700        |
| APRIL | - | 1,960        |
|       |   | <u>5,360</u> |
|       |   | 8,000        |

4. A request to Allied Force HQ for release of Prisoners of War from North Africa has been refused, as it is stated that there are insufficient for requirements there. We must therefore exclude this source in our plans.

5. There remains the possibility of enlisting civilians at civil rates of pay. In this respect Gen. MARIGNY informs me that approx 1,000 should be obtainable from demobilised soldiers of the Motor Transport Dept belonging to the 1940, 1941 and 1942 classes.

5. It appears, therefore, that this total of 8,000 should be found:-

(a) From SARDINIA, in units already ordered, required as follows:

|                         |   |              |

4. A request to Allied Force HQ for release of Prisoners of War from North Africa has been refused, as it is stated that there are insufficient for requirements there. We must therefore exclude this source in our plans.

5. There remains the possibility of enlisting civilians at civil rates of pay. In this respect Gen MARIONNI informs me that approx 1,000 should be obtainable from demobilised soldiers of the Motor Transport Dept belonging to the 1910, 1911 and 1912 classes.

In this connection the current Allied rate of pay for civilian truck drivers is 80 lire per day without rations, or 50 lire per day with free rations: from this an allowance for military uniform etc should be made. I shall be glad to have your opinion as to a suitable rate of pay for civilian truck drivers enlisted into the army as volunteers.

6. Bearing the above points in mind, I am to request you to initiate action forthwith to produce the personnel required. The need for them has become urgent.

7. Would you please keep me informed of the action you are taking to meet these demands, and give me early notice of any assistance that is required.

REPORT BY CAPT. J.H. CRAIG ON VISITS TO 1002 ITALIAN GEN TPT COY.  
AND 562 ARTY COY R.A.S.C. ADRIATIC R.A.S.C. DEPOT BARI AND  
CAPT THURPP LO. AREA No.2 DISTRICT.

- (1) Contacted Italian Officer at 1002 GT Coy and found that the present strength was:-

3 Officers  
 14 Serjeants  
 29 Corporals  
 221 Other Ranks.

Also he informed me that only approx 10% had had any previous driving experience and that there was no training in progress at present as they only had two vehicles which at present were being used for domestic purposes.

- (2) Contacted 562 Arty Coy and they informed me that up to date they had supplied 1001 GT Coy with 93 x 3 ton 12 x 15 cwt and 20 M/c and were expecting to obtain the remainder of the 3 tonners from R.V.S. within the next week, to make the Coy up to its full strength of 143 x 3 ton. Regarding the vehicles for 1002. they could not see any possibility of these for some time.

Adriatic Base Depot BARI and asked him if he had received any supplies ex dock marked ITALIAN and he told me, up to date none had arrived at Bari, but he was expecting them at any moment. I gave him Capt Thrupp's address and asked him if he would inform him immediately any such supplies arrived.

- (4) Contacted Capt Thrupp and told him about above conversation, and asked him to inform this HQ immediately he was advised by Adriatic Base Depot that supplies had arrived.

In spite of a request from M.M.I.A. to the Italian Chief of Staff to send certain Italian liaison officers urgently to A.F.H.Q. Adv Adm Reh., so far only the engineer and medical officers have reported. The necessary officers are urgently required to deal with supplies, ordnance stores, electrical and mechanical engineering and railway construction and transportation.

This dilatory action by the Italian Command is causing serious delay. Will you kindly instruct them to despatch the officers required, with no further delay.

All officers now have left. *A. H. Chadwick*

Ref my G/2/3 of 30 Nov.

1. I have since been informed that the officer who was sent to NAPLES to discuss Ordnance Stores was an Artillery officer and therefore unqualified to discuss Ordnance Stores and Personnel.

2. What is wanted is an officer or officers who have knowledge of the following subjects:

- (a) Supply of guns, small arms, all ammunition and vehicles.
- (b) Clothing and equipment.
- (c) Tentage and accommodation stores.
- (d) Units which control the above such as Stores Depots, Arm Depots, Vehicle Depots.

3. Please arrange for a senior officer or officers with full knowledge of the resources in the Italian Army of the above, to fly to NAPLES as soon as possible, with the two officers requested in our letter of 30 Nov.

4. General Marshall is most anxious to expedite these discussions between Service representatives of the Allied and Italian Armies, in order that he may make plans for the fullest administrative co-operation of the Italian Army.

May one or two additional officers please be sent to discuss employment of Italian mechanical and mule transport with the head of the Transport Branch at General ROBERTSON's HQ.

At present there is no representative qualified to give advice on such matters. Lieut Col CAPPELLI in NAPLES is concerned with transportation and movement rather than details of availability of motor transport and mules in the Italian Army.

2. The officer delegated, should therefore, take with him full details of Italian mechanical and mule personnel, incl strengths, locations and availability.

3. He should report on arrival to General BASCO and ask for Capt MURCELLI my Liaison Officer, who will conduct him to General ROBERTSON's HQ.

1. I shall be glad to be informed of the results of the recent visit to HQ FIFTH U.S. ARMY by six of General DAPINO'S Staff officers.

In particular what arrangements have been made for refilling with petrol en route?

2. Are there any matters in which I can be of assistance?

Brigadier,
Comd. British Military Mission.
