Ref this HQ TS/G/29 of 21 Jul. A large number of Italian officers and NCO's who can speak English will be required if the proposals for re-equipping certain units are approved.

We are making enquiries in anticipation and have been asked by SMRE if any of the officers now forming the Italian Mission at your HQ can be made available.

It appears that one or two of these officers are not fully employed at present; the services of any who can be spared would be much appreciated.

Il tenente generale ALEXANDER Coe comandante del V corpo alleato ha richiesto - tramite la Sottocommissione per l'Esercito A.C.C. - che il tenente di artiglieria COLONNA Francesco sia assegnato al suo stato maggiore in qualità di ufficiale di collegamento.

La richiesta è motivata dal fatto che l'ufficiale ha in precedenza prestato servizio presso detto comando e la sua opera è stata molto apprezzata.

Pregami voler disporre il trasferimento dell'ufficiale stesso al comando del V corpo alleato e comunicare a questo S.M. la data del suo avviamento a destinazione.

SUBJECT: Italian Liaison Officers.

A. 40.

To: HQ 2 District. (A)

1. The Italian L.O.,2/Lt. VINCENZO LAURI, who has been working with 65 Grn and before that with 71 Sub Area, is to be replaced by another offr - Capt BUZZACHI, who has reported for duty on instructions of 9 Italian Army Corps.

2. The reason for the change is not apparent unless it is one of rank. Lt. LAURI speaks French, English and Portigese well and has performed his duties satisfactorily. Capt BUZZACHI can speak Italian only and has practically no knowledge of English or French.

3. I request therefore that Lt LAURI be permitted to remain as L.O. with 65 Grn. I am satisfied that he is the more suitable [illegible] for the appointment.

20th June 1944.

Dear Brigadier,

I have 200 Italian POW released on parole, who form part of the W.E. of the School of Military Engineering. I wish to organise and administer them as a Company and endeavour to foster some esprit de Corps.. I asked for a good Italian officer, preferably a captain and English speaking, in order to carry this out, some 2 or 3 months ago.

The appointment has been approved, but the candidates produced so far have not been good. The first one, 2/Lieut LIVIA, was impossible from every point of view; his successor, Major GAIONE, Joseph, would, I think, have been quite good, but spoke no English. I am still, therefore, without an officer.

As the efficient administration of the School is to a considerable extent dependent on these 200 Italians, I would be most grateful if you could assist. 0333

I would come in and see you any day at your convenience, after 23 Jun.

Yours sincerely,

(Sgd) E.L.K. GAYER.

Colonel.

ARMY SUB COMMISSION, ACC
LEQUILE (LECCE)

1. I was visited on 17 June 44 by O.C.65 Mtn Regt with regard to the acquirement by the unit of an Italian L.O.

2. A 2/Lt CANE, an Alpini gunner was assigned to the unit but owing to the fact that this officer has recently broken his leg, he will be out of action for two months.

3. O.C.65 Mtn Regt would like a replacement Italian L.O. preferably an Alpinigunner for such length of time as 2/Lt CANE is unavailable, and would like a security check made on the latter as a precaution.

4. The L.O. is NOT required to speak English as O.C.65 Mtn Regt and some of his officers speak Italian.

Your 6740/SP of 2 Jun 44, subject as above.

1. 1 Div on about 4 Feb 44 instructed BIANCHI to report to their Rear Administration Post in the SALERNO area.

2. It is probable that by 20 Feb, when BIANCHI arrived in the SALERNO area, the Rear Adm Post had moved to rejoin its Division.

1. It is understood that HQ EIGHTH ARMY, through Italian Surveys Command, and therefore presumably through AAI, made recent application to Italian General Staff for provision of 25 English-speaking Italian officers, out of which number the Italians have so far found 19.

2. It is requested that all such demands be made through this Sub-Commission, so that priority can be given to demands of AAI and ex Imns over those of non-ex Imns.

3. Unless all demands are put through us, we shall be working at cross-purposes, and this may be recording pressure on the Italians to provide ⇒ Interpreters for A rear formations, while AAI may be requesting them for forward troops.

4. It is hoped shortly to satisfy your demand for 5 English-speaking Italian offrs for HQ 20 Italian Mob Gp. Your signal EM 680 of 6 May refers.

= L E Q U I L E =

Riferimento foglio n.0/382 del 9 corrente.-

Si notifica opportuno portare a conoscenza di cotesta sottocommissione che il comando dell'8ª armata britannica ha richiesto a questo S.M. tramite comando supremo, prima 10 e successivamente 25 ufficiali interpreti e di collegamento da assegnare ai comandi di G.U. dell'8ª armata britannica.-

Alcuni di questi ufficiali sono stati richiesti nominativamente.-

Finora questo S.M. ha assegnato per tale scopo 19 ufficiali.-

Data la deficienza di ufficiali interpreti, si prega di comunicare se il comando dell'8ª armata può destinare al 20° gruppo sahariano italiano i cinque ufficiali richiesti, tranendoli dai 19 che sono già stati assegnati a quel comando.-

Appena possibile questo S.M. provvederebbe per il reintegro degli ufficiali più richiesti dalla Sardegna.-

Reference your letter No. G/7/1 of 28 April.

This is an administrative matter and to save time was passed to Army Sub-Commission, L.O. as it was known that at least one officer in that office was in touch with the appropriate branch of A.A.I. Adm. Ech. then located at NAPLES.

Your third sentence is noted: had the L.O. informed me that he was unable to deal with it, the matter would have been passed to you.

In the meantime, Comando Supremo have informed me that the matter has been dealt with by their own L.O. at A.A.I. and that therefore they require no action on their letter.

I attach a copy of a letter notifying that the Italian Liaison Officer attached to my HQ is no longer a representative of the State Maggiore Regio Esercito but in future comes under the 9th Corps HQ at BARI and his immediate superior is the liaison officer at your HQ.

On the face of it, this seems to be a very reasonable arrangement but in practice I would make some recommendations.

Experience has already taught us here that the Italian Authorities take no notice of Italian Military authority except S.M.R.E. If the official stamp of that department appears, then instant action is taken.

Naturally this Sub Area is very conveniently located as regards the S.M.R.E. and this has been a great asset when my Liaison Officer could deal direct with this HQ. This advantage is now denied my HQ and naturally there will be considerable delay in referring matters to BARI whereas I am able to telephone to LECCE at any time.

2123

I am particularly anxious that there should be authority for this Liaison Officer to deal with the S.M.R.E. in this Sub Area as that HQ is within its boundaries and local questions are often cropping up. In an emergency this ready access might be of the greatest assistance .

I recommend that these liaison officers should remain on the establishment as officers of the S.M.R.E. attached for duty under 9 Corps and that they should have

SUBJECT:- Italian Interpreters Attached With English Units.

1. With some English units, particularly with the X Army Corps, there are some Italians serving as interpreters, wearing the Italian or English uniform and Italian insignia of rank, but who are not properly detached by the Italian military authorities.

2. They are mostly elements taken into these units as a result of the situation that arose immediately after the Allies entered Naples.

3. It appears necessary to regulate the matter as follows:

(a) As regards those who are not called to serve in the Army but who are useful to the Allies, they are to remain as civilian interpreters with salaries, without wearing the Italian uniform or any insignia of rank.

(b) As reagrds those with obligations to serve or who, although not bound by theses obligations, place themselves under them, their military status should be regulated. These would become members of the Italian Army which would consider them detached with Allied commands or units, provided their past activities (their present work and etc.) give proof that they will lend good service.

Naturally those who, although having military obligations, do not regulate their status, would be considered deserters and denounced as such to the military court. 1.6

4. I have declared as much because I don't believe there should be any elements who abusively wear the uniform of the Italian Army, or avoid their military duties.

From: A. Divisione Calvairese, 2.0 Ref. 1702/C. D

To: M.M.I.A. File..... Date 27.3.44.

Subject: Italian L.O.s with Allied Dists. Areas & Sub Areas.

SMRE formed, during November 1943. Italian liaison offices with the Districts, Areas and Sub Areas, in order that they might deal with all matters relating to requisition of furniture, buildings and other such purchases, etc on behalf of the Allies.

Bearing in mind:-

- The almost exclusively territorial nature of the matters to be dealt with by these offices.
- The advisability of not subjecting these offices to having to consult the SMRE on matters they cannot solve for themselves, which consultation, in view of the difficulties of transport and communications, always take too long.

this Ministry intends to retain these offices under the corresponding Army Corps H.Q. for each Territory.

A circular has been prepared to this effect. Copy of which is enclosed in case that H.M. may express their opinion on the subject.

Subject. Italian Liaison Offices with Allied Districts, Areas & Sub-Areas.

1. Owing the growth of Norwegian local liaison offices with the Districts, Areas and Sub-areas more formal the function directly under the SMRE. They object was to deal mainly all matters of territorial nature, (Organization & dislocation of formations, buildings and other premises Depots, etc.) to meet the requirements of Allied Commands, Units and organizations.

2. In order to:

- avoid delays and difficulties in dealing with such matters, owing to the necessity of consulting the S.M.R.E. in some cases, which consultations due to distance and difficult communications and apt to take a long time.
- and to limit the activity of such offices to the district in which their function, ~~centered~~ bearing in mind the strictly territorial nature of their business, coincide in liaison with local territorial Allied Units (Areas & Sub. Areas).

I order that: -

with effect from 0 hrs. of April 1st next the Liaison Offices referred to, would be under the H.Q's of the Army Corps, of the district concerned.

OGGETTO Uffici italiani di collegamento con i District, Aree e Sub-Aree Alleate.

Alla ARMY SUB COMMISSION, A.C.C. - Main HQ (AMMIA) -

L E Q U I L E

Lo Stato Maggiore R.Esercito costituì, nel novembre 1943, alle sue dipendenze, uffici italiani di collegamento con i District, Aree e Sub-Aree, per trattare tutte le questioni relative a requisizioni di mobili, immobili e mezzi vari; cessioni, acquisti ecc. per conto degli Alleati.

Tenuto conto:

- del carattere quasi esclusivamente territoriale delle questioni che gli uffici trattano;
- dell'opportunità di non costringere gli uffici suddetti a rivolgersi, per quelle questioni che non possono trattare direttamente, allo Stato Maggiore per il parere; parere che il più delle volte, causa le distanze ed i mezzi di comunicazione, arriva con notevole ritardo,

è intendimento di questo Ministero, mettere gli uffici di collegamento di che trattasi alle dipendenze dei comandi di Corpo d'Armata territoriali competenti per territorio.

Si allega copia della circolare preparata al riguardo, affinchè codesta Sottocommissione faccia conoscere il proprio parere in merito.
