Subject : Leave on Private Affairs.

CONFIDENTIAL

I have the honour to request that I may be granted one week's leave of absence for the purpose of visiting an estate which is the property of my family at Fiesole, Florence.

I have up till now withheld this application on account of my presence being required with the Cremona Combat Group during the initial stages of its re-organisation and training, and also in the hope that I should receive news regarding the estate by other means.

I learned today, however, that the caretaker of the estate, an old woman of about 75, had received wounds from shell splinters during the fighting in the vicinity of Florence, and I am without further information regarding her condition or the state of the house and its contents.

Under the circumstances I request that I may be granted this leave as early as possible.

The re-organisation of the Combat Group is well in hand and training is under way, and I feel that I could be spared at the present time.

I have the honour to be,

Sir,

your obedient servant,

Wm. Egerton

1. The selection of officers to be GSCs I with the BLUs at present being formed to work with the Italian Gruppi is of interest to this Directorate.
2. In order to save man-power, these officers are being made responsible, under supervision, for the training within each Gruppo, and it is essential therefore that suitable officers with the necessary qualifications and experience are appointed, if the scheme for training the Gruppi is to be successful.
3. While it is realized that the selection of these officers is not the concern of this Directorate, it would be appreciated if before any appointment is made, an opportunity be given for their training qualifications to be examined, and comments forwarded for your consideration.

My Dear

Many thanks for your 8843/MS dated 4 Sept. I certainly agree to what you propose.

It was good of you to have explained the matter so fully to me. I should like to take this opportunity to thank you and your staff for the very great trouble you have taken to provide us with the right sort of officers for these E.L.Us, which, as you say, are so important.

Dear General

This is a note about Major SKETCHLEY, whom we are sending as DAQMG for one of the BLUs.

He volunteered to come abroad from UK and was, after some difficulty, extracted from NORTH AFRICA, where he was put to fill a gap at CTC. He volunteered to revert in order to get to a field formation and went to 46 Div as staff captain. After about four months he became sick and had to go to hospital. While becoming fully fit again he went as G2 to 2 District, and eventually in July was posted as DAA & QMG, 66 Brigade. This unfortunately changed its establishment shortly afterwards and he asked to be allowed to stay in that brigade, attached, so as not to leave a field formation until another similar vacancy occurred elsewhere.

He is, therefore, very loathe to leave a field formation, and much pressure has been brought to bear to keep him, but in view of the urgency of getting the right type of chap for these BLUs I have said that he is to report at once, but that as soon as some fresh candidates from CAMBERLEY arrive I would ask you if you would allow me to send a suitable one to understudy SKETCHLEY with a view to taking over from him and allowing him to go back to 1 Div.

I hope this will meet with your approval, because I think he has had a raw deal and is obviously extremely keen to get back into the battle at once. Meanwhile, he has assured me that he will put his whole heart into starting off with the BLU.

Yours sincerely
