SUBJECT: Overall Order of Battle - Italian ArmyLAND FORCES SUB-COM. A.C.
(M.M.I.A.)

File No. 9/11/1

24 Nov 44

TO : G-3 Section AFHQ

Reference your 922,5 of 14 and 17 November.

1. With reference to 922,5 of 17 November:

(a) Para 4, 286/1 Service Company and 286/1 MT Company should be ER-ITI units, and not ITI-ITI. These units were allotted by letter HQ AI file 1605/50/56/0 (SDI) of 23 July 1944 to fill the Italian Section of WE H. 286/1 (amended) HQ Allied Control Commission and Allied Military Government of Italy. This therefore dilutes the British War Establishment by this Italian Increment, and results in a substitution of Italian personnel for British personnel. Italian Units authorized to dilute British units are ER-ITI. Request that your letter be amended accordingly.

(b) It is noted that 3 IAT Port Op Companies are included in the Italian Army Order of Battle. These companies are composed entirely of Naval personnel, and in accordance with previous instructions (your 23 091.74/CES GCH-C of 24 Oct) are not included in the Italian Army. The physical transfer of this personnel from the Italian Navy to the Italian Army presents many difficulties affecting administration, pay, service, etc. The units are now carried in the conflict of the N.V., and are under command of the Army for operations. It is requested that your list be amended and that units be not shown in the Italian Army until the personnel is physically transferred to the Army.

2.

(a) It is noted that Part II (a) of letter 14 Nov HRI-III Combat Troops, Shows Carabinieri as HRI-ITI Troops. Carabinieri are all ITI-ITI Troops, and are attached to the Combat Groups for Provost duties.

(b) It will be noted that Part II (b) of Appx to letter 17 Nov HRI-ITI Service Troops, does not include the Carabinieri Sections which are attached to the HRI-ITI Service Units.

1844 to fill the Italian Section of the Allied Military Government of Italy. This therefore dilutes the British War Establishment by this Italian Increment, and results in a substitution of Italian personnel for British personnel. Italian Units authorized to dilute British units are RI-ITI. Request that your letter be amended accordingly.

(b) It is noted that 3 IAT Port Op Companies are included in the Italian Army Order of Battle. These companies are composed entirely of Naval personnel, and in accordance with previous instructions (your AG 831.74/833 COTLO of 24 Oct) are not included in the Italian Army. The physical transfer of this personnel from the Italian Navy to the Italian Army presents many difficulties affecting administration, pay, service, etc. The units are now carried in the column of the Navy, and are under command of the Army for operations. It is requested that your list be amended and these units be not shown in the Italian Army unless the personnel is physically transferred to the Army.

2. (a) It is noted that Part II (a) of letter 14 Nov RI-ITI Combat Troops, shows Carabinieri as RI-ITI Troops. Carabinieri are all ITI-ITI Troops, and are attached to the Combat Groups for Provost duties.

(b) It will be noted that Part II (b) of appx to letter 17 Nov RI-ITI Service Troops, does not include the Carabinieri Sections which are attached to the RI-ITI Service Units.

(c) Request that Part II (a) of letter 14 Nov be amended to show Carabinieri as ITI-ITI Troops attached to the Combat Groups.

3. PICENO DIV.

It is requested that you insert the attached Appendix in Part II (a) Order of Battle of 14 Nov as, until an alteration in Policy is made, these troops remain a RI-ITI (Combat) Commitment.

4. The following further points arise in connection with Part II (a) enclosed with your letter of 14 Nov.

(1) M.E. Vehicle strength for

(1) Sase Coy given as 60. Ref No./530/1 vehicle estab. is 59 and 1 Trailer. Trailers presumably should not be included in your totals, as they have been omitted in other cases.
