1. "I can now undertake the training of reinforcements for 301 and 302 Italian Ordnance Ammunition Coys.
2. I understand from COO 16 BAD, who employs these Coys, that more than 10 are required and, as there is more than likely to be a certain wastage, I suggest that 20 be sent.
3. Will you please impress on RTC ICF the necessity for selecting men of higher than average intelligence, the ability to calculate accurately is a necessity.
4. Please advise ETA.
