under issues to make sure that be adjusted in the following 10 day period period.
It is pointed out that material as well from in future needs to 1 for per week and
Lenses should be made accordingly.

2. As already reported, 736,016 lbs. biscuits have been forwarded to the Italian Army Depot
Genoa. The quantity is in addition to their 10 daily biscuits and therefore must be collected
from their future biscuits placed on 13 and 14. It would be appreciated if 13 and 14
could kindly make this point.

3. It has been reported that the following supplies, consigned to the Italian Army Depot
are due to arrive at 736,016 for onward transmission by rail to Genoa:

(a) 533 tons gross per U.S. "MILITARY". (b) 236 tons gross per U.S. "MILITARY".

Can you please inform HQA when these supplies arrive and also when the movement by
rail from Genoa to Genoa takes place so that the Italian authorities can be informed.

These supplies are also in addition to their 10 daily biscuits, and adjustment must
be made accordingly from future biscuits placed on 13 and 14.

It is considered that adjustment should be made after the Italian Army has received
this consignment.

4. Could the first shipment, 736,016, please arrange for shipping notes to be
forwarded to 15 and 16, only to 15 and 16, in accordance to the above place, in order that
a complete record can be kept for all the material to the Italian Army Depot.
