SUBJECT :- Investigation at the Rations Warehouse at MONOPOLI.

In regard to what was reported by the MMIA LO at BARI in regard to irregular issues effected by the ration warehouse at MONOPOLI, we beg to report that the Commissariat Directorate of BARI have carried out an inspection of said warehouse.

We have thus ascertained that the corrected entry of 269,955 kilos of flour presented by the warehouse did not correspond to any excess of flour, as this excess was due to an accounting error.

Therefore, bread has always been distributed regularly to the troops.

A copy of the report by the officer who carried out the investigation has been sent to MMIA's LO at BARI.

Ref your 1/24876 dated 29 Dec 44.

1. Proforma in respect of 269 kilos 935 gms of FLOUR taken on charge by MONOPOLI D.D. from the PRESIDIO BAKERY (CIVILIAN) at MONOPOLI is returned herewith.

2. If this represents a surplus, will you please cause an immediate investigation to be made as it would appear that the proper ration of bread has not been issued to troops in that district for a considerable period.

3. In this event, it is suggested that PRESIDIO, MONOPOLI effect a bread contract with a different Bakery and make frequent inspections to ensure that correct weight loaves are being made.
