Non è ancora pervenuta a questo Ministero la conferma dell'avvenuto ritiro dei foraggi assegnati alla circoscrizione della Campania per il periodo in oggetto.

Risulta invece che è stato iniziato il ritiro delle granaglie assegnate alla stessa circoscrizione per il periodo 8-14 gennaio, e che è in corso il ritiro dei foraggi relativi alle assegnazioni precedenti.

This Min. has not yet received confirmation of the forage withdrawal, assigned to the limits of Campania for the period in question.

P. IL MINISTRO

It appears, instead, that, there has been started the withdrawal of the grain allotted to the said area for the period 8/14 Jan, and that the withdrawal of forage concerning the preceding allotment is now taking place.

SUBJECT: Consignment of forage for the animals in LATIUM and for those of the Supply Centre at PASSO CORESE.

As is known, the Allied Authorities, when proceeding with the periodical allocation of forage for the animals stationed in LATIUM and for those of the Supply Centre for LATIUM at PASSO CORESE, instruct that it be drawn from the CAPUA Depot together with the amounts destined for the needs of the CAMPANIA District.

As it becomes very difficult for the Italian Military Administration to get the allotted forage to its destination in LATIUM and at the Centre, owing to the limitations imposed as far as rail transport is concerned and owing to the insufficiency of vehicles and of POL, we request you to arouse the interest of the proper Allied Bodies so that in the future the draw of such forage may be made from nearer Allied Depots, or that rail transport to its destination be seen to directly by the Allies, as already is being done for the Italian

Risposta al Foglio N. 20112

OGGETTO: Consegna foraggi per i quadrupedi del Lazio e per quelli del Centro Rifornimento di Passo Corese.-

*Intervento per animali in
Lazio and at Supply Center at Passo Corese*

Come è noto, le Autorità Alleate, nel procedere alle periodiche assegnazioni di foraggi per i quadrupedi dislocati nel Lazio e per quelli del Centro Rifornimento Quadrupedi del Lazio in Passo Corese, sogliono disporre il ritiro presso il Deposito di Capua unitamente ai quantitativi destinati alla circoscrizione della Campania.

Poichè a causa delle limitazioni imposte al traffico ferroviario e per la insufficiente disponibilità di automezzi e di carburante riesce oltremodo difficile per l'Amministrazione Militare Italiana di far giungere a destinazione i foraggi assegnati al Lazio e al suddetto Centro, si prega codesta Sottocommissione di voler interessare i competenti organi alleati perchè per l'avvenire il ritiro di tali foraggi sia effettuato da Depositi Alleati più vicini, oppure ne sia curato direttamente dagli Alleati l'altro a destinazione a mezzo ferrovia, al pari di quanto viene già praticato per i magazzini foraggi italiani di Pari e Catanzaro. In tal caso le spedizioni di che trattasi dovrebbero essere effettuate con le seguenti modalità:

per le granaglie destinate al Lazio: ente destinatario: Magazzino foraggi di Roma; scalo ferroviario di resa: Roma S. Loren-
