SUBJECT: Tomato Paste Unloaded at CIVITA-VECCHIA from SS"William Mosely"and"Gideon Wells"

The Mil. Commissariato Office of CIVITAVECCHIA has informed us that during the checking of the food-stores unloaded from the two ships in question and taken to the Special Food Depot of CIVITAVECCHIA, a quantity of tomato paste larger than that listed on the acceptance note of the 9 August 1944 (signed by Capt. Monck Mason and Capt. Mazza) appeared.

The accounting error is due to the fact that on the tomato-paste boxes no mention whatever is made of a unit weight:

Actually Ascertained Weight	Weight Given on Acceptance Note
37,254 lbs.	36,285 lbs.

We ask MMIA to correct the shipping ticket dated 9 August 44 Voucher No. 27,-sheet No. 1, debiting the Italian Army with 969 lbs of tomato paste.

SUBJECT: Supplies ex UGS-45 - "Wm Moseley" & 'Gideon Welles" - CIVITA VECCHIA.

ADST, MMIA.

1. Herewith, in duplicate, consolidated statement of supplies, actually received ex above ships, and agreed by representatives of the Allies and Italian Army. Relevant parts of ships' manifests are attached.

2. For reasons more fully stated in Port.Det HQ's.Report No 1.(also attached), it has not been possible to show separate figures for these two ships' cargoes.

3. Sect.(b) of this statement shows supplies received in error, and under cover of darkness, for Brazilian Army, which are being returned at present time.

4. It will be observed that discrepancies between quantities, [redacted] ships manifests and quantities actually received are considerable, and can only be attributed to the following:

a. Insufficient markings, and checking at ship's side (already indicated in Port Det HQ.Report No 1)
b. Inaccuracy of Ships manifests.
eg: Spaghetti received and marked ITL, but none shown on manifest.

5. Two copies of this statement have been sent to War Ministry, one retained by Commissariato(Civita Vecchia) and one by me.
