SUBJECT: Movement of supplies from Taranto to Sicily. *12*

ST/33/3.
30 Jul 44.

Dir. Gen. Commissariato,
Italian War Ministry.

1. Information has been received from the Movements Branch of this Mission that they only received the movement order from SMRE with regard to despatch of rations (our ST/33/3 dated 24 Jul 44 refers) on the 27th July 1944.
2. It so happens in this case that rail transport was applied for in advance by this office to enable the rations to arrive in Sicily by the 1st Aug 44, but once again it is pointed out that all movement demands for supplies must originate from your Department to SMRE, and thence to MMIA, as quickly as possible, in order that your bids can be considered with Allied bids.
3. Will you please ensure, in future, that priority is given to all matters affecting movement and transportation of rations, and consequent action between the various Departments concerned at the Italian War Ministry.
