It was therefore decided on 11 September 44 to cancel all outstandings on former programmes and to load daily from Naples for each destination the following composite parcel:

In seguito ad accordi presi con la A.C.C. M.M.I.A. (Maggiore Papineau), si dispone che i rifornimenti al Magazzino di Roma ed alle Sezioni di Sussistenza delle Divisioni "Friuli" e "Cremona" e distaccamento Sparanise vengano effettuati come segue:

- giornalmente saranno a disposizione di codesto Deposito vagoni ferroviari per la spedizione di 20.000 razioni a ciascuna delle località indicate. Le spedizioni alle Divisioni "Friuli" e "Cremona" dovranno essere appoggiate alla Stazione di Benevento ed essere effettuate a giorni alterni: un giorno la spedizione sarà indirizzata alla Divisione "Cremona" ed il giorno successivo alla Divisione "Friuli", e così di seguito.

Ogni giorno, perciò, codesto Deposito dovrà effettuare tre spedizioni per ferrovia: una per Roma, una per Sparanise ed una per Benevento (indirizzata alternativamente un giorno alla Divisione "Cremona" ed una alla Divisione "Friuli").

DEPOSITO DI CEMENTO VIALE 730 "NAPOLI"

OGGETTO: RAPPORTO CIRCA L'AUTOCCOLONIA DI VIVERI PARTITA IL GIORNO 29 LUGLIO D  
NAPOLI E DIRITTA A CIVITAVECCHIA.

Io sottoscritto, marchese o scrivano DONATI Iorio, incaricato della c  
segna dei viveri, riferisco quanto segue:

Le 23 macchine partite dal Deposito 590 sono giunte a Civitavecchia il  
giorno 30 regolarmente. Delle 24 partite dal magazzino militare viveri foraggi co  
bustibile di Napoli che non sono giunte a destinazione in seguito ad incidenti  
stradali, mentre una è giunta a destinazione il giorno 4 corrente.

La seconda è arrivata il 24 ore dopo l'arrivo, poiché tanto il magazzino  
della Sussistenza quanto il deposito speciale di Civitavecchia rifiutavano di ri  
vere le cariche non avendo ricevuto alcun ordine in proposito.

Alla carica ho rassegnato i seguenti aragalli:

No 2 macchine e 4 di farina; No 2 cartoni di formaggio americano; circa 1300 bustine  
di fiammiferi.

E' stata precisata la responsabilità a carico delle scorte. A carico  
dei responsabili del furto dei fiammiferi è stata fatta regolare denuncia da parte  
del brigadiere comandante la scorta del CO.M.

Seconda la distinta generale del servizio mancherebbero anche 45 car  
toni di maccheroni, ma delle sigole bollette di carico di ciascun autocarro mi  
risultate trattarsi di un errore di carico. Altrimenti mi risulta per le 2 cartoni  
di pomodoro in scatola.

La macchina giunta il 4 corrente con carico di olio, di formaggio pecc  
rino e di sale è stata semidepredata, poiché manca quasi metà del carico e precisa  
mente Kg. 148,600 di formaggio e Kg. 510 di sale. Sembra che il militare di scorta è  
stato costretto ad abbandonare l'autocarro. Sto facendo indagine per precisare le  
responsabilità.

In seguito ai precedenti incidenti due carichi di vino sono andati pe  
ti. Dei due autocarri, uno I nel rettilineo di Terracina in seguito a collisione con  
un autocarro americano, ed uno nella discesa di Albano in seguito a rovesciamento  
dell'autocar o stesso.

Al riservo di fare dettagliato rapporto al mio rientro a Napoli.

4 Aug 33/8

1. Further to our STN/6a of 29 July 44 and confirming telephone conversation Majors Smith - Papineau of 2 August 44.

2. It has now been ascertained that three kinds of movement of ITI Rations from Naples to Rome are taking place.

- a) A varying number of Italian lorries are presenting each day (29th July four; 30th four; 31st one; 1st August eight) these are being loaded with balanced rations and consigned to Magazzino Viveri di Roma.
- b) Rail cars have been loaded with balanced rations as follows  
31 st July 2 wagon numbers 1025143-167518 1st August 2 wagon numbers 1023643-1216875 2nd August two cars numbers unknown at time writing. These cars have been consigned to Magazzino Militare Viveri Roma, per Stazione Vittoria. (It is stated that Vittoria is the new non-Fascist name in place of Littoria). Our STN/6a of 29 July 44 para 4 requested you to confirm that War Ministry would arrange personnel to handle these Rations on arrival at Littoria.

- c) Comando Truppe Italiane Per PBS (as a result of instructions received by them from PBS) in their 02/260 (Comm. di prot. of 16 July 44 requested Commissariato del Comando della Campania to make available 75000 Rations for loading on PBS transport (loads to include items from Italian Sources except Fresh Fruit

are being loaded with balanced rations and consigned to Magazzino Viveri di Roma.

- b) Rail cars have been loaded with balanced rations as follows  
31 at July 2 wagon numbers 1025143-167518 1st August 2  
wagon numbers 1023643-1216875 2nd August two cars numbers  
unknown at time writing. These cars have been consigned to  
Magazzino Militare Viveri Roma, per Stazione Vittoria. (It  
is stated that Vittoria is the new non-Fascist name in place  
of Littoria). Our STN/Ca of 29 July 44, para 4 requested you  
to confirm that War Ministry would arrange personnel to  
handle these Rations on arrival at Littoria.

- c) Comando Truppe Italiane Per PES (as a result of instructions  
received by them from PES) in their 02/260 (Comm. di prot. of  
16 July 44 requested Commissariato del Comando della Campania  
to make available 75000 Rations for loading on PES transport  
(loads to include items from Italian Sources except Fresh Fruit  
and Fresh Vegetables). These Rations represented a further 15  
days' supply for approximately 5000 ITI PES troops based on  
Civitavecchia additional to 150,000 Rations (30 days' supply)  
previously moved early in July under PES arrangements for the  
same purpose. Comando Truppe Italiane Per PES (Ten. Colonnello  
Caroprese and Ten. Colonnello De Majo) stated today to Major  
Papineau that they possess a Rations Issue Depot at Civitavec-  
chia for PES ITI Troops solely administered by a Maggiore Coriato  
and S/Tn Leporati and attached to 552 Regiment Artiglieria (O.C.  
Colonnello Italia) located at Civitavecchia. The 75000 Rations  
loaded from Naples Bulk Depot on 29 July 44 in PES Convoy BN7/573  
should have been delivered according to Comando Truppe Italiane  
per PES to the aforesaid PES ITI Depot at Civitavecchia.

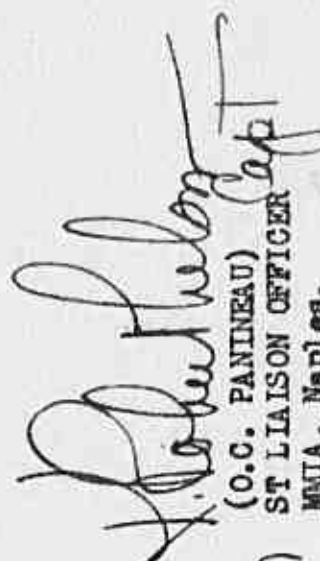

3. It was agreed in telephone conversation para 1 above that the existence  
of this PES ITI Depot at Civitavecchia would be checked up and the point  
verified whether the Rations in Convoy BN7/573 were off-loaded there or  
elsewhere.

4. No further PES movement is projected at present, so that the current  
operations are confined to 2(a) and 2 (b) above. Comando Truppe Italiane per  
PES has however, requested that clarification be furnished as to whether the  
Ministry Depot at Civitavecchia (i.e. Capt. Monck - Mason's Depot) is now able

- 2 -

to take over permanently responsibility for feeding PBS ITI Troops in Civitavecchia Region.  
If there is any doubt on this point (particularly in respect of transport for maintenance) Comando Truppe Italiane per PBS recommend that their independent maintenance arrangements and depot should continue in view of the greater facility which they have for obtaining transport.

5. Your instructions on future procedure are therefore awaited.  
If no reply is received by 9 August 44, Comando Truppe Italiane Per PBS will request the sanction of this office for the movement of further parcel of 75000 rations under PBS arrangements on 11 August 44.
