Dires. Gen. Commissariato  
Italian War Ministry

It is brought to your attention, for immediate action, that the Unit Strength Returns, extracted from Unit Accounting Journals, are not being received, to any appreciable extent, by this Headquarters:-

It is appreciated that, in some cases, communications are bad, but every effort will be made to ensure that the rendition of returns, from all units including CC.R., are made as soon as possible after the close of the accounting period.

As you are aware, these Returns are required to verify the accuracy of the amount of subsistence issued to units and which ultimately are charged against the Italian Government. It is therefore in the interest of the Italian War Ministry that the rendition of Returns are made with the utmost expedition.

From 21 Nov. 44. inclusive, the M. ES Bulk Depot receives 70000 rations daily from 14 CRASC (only that part of the ration that is from Allied sources) to be used exclusively for the supply of the Combat Groups, of the Camp at TEANO, of the R.I.N. and R.I.A.F.. The local M.M.I.A. L.O. has, however, informed us that from 10 Dec. 44. inclusive, only 61000 daily rations will be provided instead of 70000.

We will inform you on a separate sheet of the total amounts of goods received up to now from 14 CRASC.

The accountability for these amounts is held apart at the NAPLES Bulk Depot, through a similar request from the local M.M.I.A. L.O..

In Italian rations only. (Based on daily strength).

Retabulating the information given above, it is deduced that this Directorate must see to the rationing of:-

As can be seen, the strength of the troops stationed in the islands: SICILY, SARDINIA & CORSICA are not included in the strengths shown.

For the supply of those troops we are informed from time to time by you, or first by the M.M.I.A. L.O. of the amounts and types of goods to send.

OGGERRO: cessione viveri per il periodo 10 - 24 ottobre 1944.-

\*\*\*\*\*

La Direzione di Commissariato di Catanzaro ha segnato lato che nel periodo in oggetto il limite massimo di razioni autorizzate da prelevarsi dal Deposito Speciale Viveri di Catanzaro è stato largamente superato, poichè si è reso indispensabile rifornire per il fabbisogno previsto di 4 mesi i Presidi dislocati nelle zone montuose della Sila che fra poco, per l'ammassarsi della neve, rimarranno quasi isolati e comunque difficilmente collegabili con i Magazzini di distribuzione.

Pertanto dalle situazioni per il detto periodo risulterà una erogazione in più rispetto alla forza di 56.130 razioni, occorse per le speciali esigenze su riferite.

Tanto si segnala a cotesta Missione per chiarire le ragioni che hanno determinato le distribuzioni in eccesso.

Sir,

Reference Appx "A" to AQ/2/6-2 dated 6 Nov 44.

The point was raised with Capt Clark (Rations & Accounts) regarding the accuracy of the various strengths reported there-in :- e.g.

- (a) ITI-ITI's in SARDINIA approximate 15,000 and not 5,050 as shown.
- (b) There are no US-ITI's in SICILY although 9,000 are shown.
- (c) There are US-ITI's in SARDINIA although none are shown.
- (d) The CC. IR are authorised to draw 40,829 rations daily, the O.B. gives a ceiling of 49,728, Appx "A" gives an estimated figure of 55,000.
- (e) Etc.

Capt Clark stated that Appx "A" did not supersede the authorisation for the issue of rations in AQ/2/7-6 dated 24 Oct 44 and as far as accounting was concerned, the figures can be ignored.

8 Oct 44.
