Subject: Ration return of the CC.RR.

Army Sub Commission (MMIA)

Hq AGC

Rome

AG/2/7A

9 September 1944

To : The Public Safety Sub Commission, Hq AGC

1. Urgent requests have been made to you in the last sixty days for a ration return for the CC.RR showing the exact number of personnel to be authorized rations from various Italian Army depots. A list of the Italian Army depots was furnished you, in order to enable you to have such a ration return completed.

2. Due to the fact that Italian Army depots are being reorganized and will now be authorized to issue only a specified number of rations, it is absolutely essential that this office have a completed ration return for the CC.RR, in order to authorize the issue of rations.

3. Effective 15 September, no further rations will be issued to any Italian Army units, including the CC.RR, by any Italian Army depot except on specific authority issued by MMIA; and for this reason I must request that the return for which we have been asking for the last two months be furnished. Otherwise, it will be impossible for MMIA to authorize rations for CC.RR on the basis we have been ordered to adopt.
