We have been informed that the American HQ at Foggia to which are attached for labour works men of the 408 Inf. Regt. stopped the issue of two extra ounces of meat stating that such issue must be distributed by the Italian stores.

Such statement being contrary to the info. sent with your ST/19 of the 12/4 which was stating that the extra ration was to be issued by the allied HQ employing men on labour works, we would kindly ask you to appraise the American HQ Foggia in order that the issue be restarted or to authorize us to arrange that such issue be carried out by the Italian stores.
