1. This office STH/9b dated 3 Feb 45 requested you to consign a total of 2000 kilos MILIT Cigarettes to 14 CRASC for Friuli and Cremona Divisions.
2. Direzione Commissariato in their telegram DC/2753/1 dated 3 Feb 45 addressed to Deposito Speciale Viveri confirmed these instructions.
3. The a/m quantity of cigarettes was available on 7 Feb 45. On this date, Deposito Speciale Viveri, according to their Daily Situation Report No. 1652, issued 2784 kilos of MILIT Cigarettes to 14 CRASC. HQ MMIA was informed by this office accordingly.
4. Today this office telephoned to Deposito Speciale Viveri to confirm the amount of 2784 kilos as it was slightly less than the quantity authorized. The a/m Depot then alleged that only 2528 kilos had been despatched to 14 CRASC.
5. It is doubtful if anyone knows the actual amount consigned. Will you please cause an immediate investigation to be made and advise findings to this office by telephone. Such errors not only cause additional work to all concerned, but would infer that the maintenance of Italian forward troops is of minor importance.
