9 July 1944

SUBJECT: Instructions Pertaining to Special Embarkation of Italian Military Personnel

TO : See Distribution

1. Ships will be assigned numbers from 21 to 30. The Italian Military Headquarters will segregate the personnel into blocks of not to exceed 1050 and these personnel will then be allocated to the numbered ships to suit the convenience of the Italian Military Headquarters and the ACC (Army Sub-Commission). A recapitulation of the allocation of personnel to ships by numbers will be furnished to the Transportation Officer, 22 Via Dante, Cagliari, as soon as practicable.

2. MANIFESTING: Mimeograph stencils will be furnished to Italian Military Headquarters. Upon completion of allocation of units to Ship numbers, personnel lists for each unit will be prepared on these stencils in the following form:

5. ORGANIZATIONAL EQUIPMENT: When data as to tonnages of equipment to accompany units is complete, a recapitulation of same will be prepared by the Italian Military Headquarters and furnished to the Transportation Officer, 22 Via Dante, Cagliari, who will assign ship space to this cargo. The cargo will be delivered to the Port for back piling prior to the arrival of the ships. This will be handled under arrangements of the Italian Embarkation Authority (Major Depau) to areas within the Port designated by the U. S. Army Port Commander.

6. EXPLOSIVES: Attention is invited to the fact that the carriage of explosives of a high order sympathetic mass detonation nature on ships carrying personnel is prohibited. If it is contemplated that any such cargo be included, it will be necessary that the Italian Military Headquarters prepare a statement as to such cargo with information as to unit identification and marking, together with a statement as to the necessity for the shipment of it with troops. If the ACC (Army Sub-Commission) concurs in the necessity, a request for waiver of the safety requirements will be submitted to higher headquarters. No cargo of this nature will be loaded until the waiver is received.

7. PERSONNEL CHECKING: Ten copies of personnel manifests will be furnished the Italian Embarkation Authority (Major Depau) who will arrange for a check of the personnel at shipside as loading takes place. Any names manifested of personnel who do not embark will be lined out of the manifest. Three copies of the personnel manifest as corrected will be furnished the Ship's Master. One copy of the corrected manifest will be furnished immediately that it is complete to the Transportation Officer, 22 Via Dante, Cagliari. If no corrections are necessary in connection with the manifest of any particular ship, one copy will be furnished with notification thereon to that effect. Upon receipt of these final manifest, the Transportation Officer will prepare additional corrected copies, furnishing three copies of same to the ACC (Army Sub-Commission) and seven copies to Italian Military Headquarters.
