1. It is requested that Caporale Spinelli Franco, now on duty with MIA detachment, be relieved of such duty and assigned to whatever unit considered appropriate by your command.
2. It is with regret that you are advised that the reason for this request is the recent discovery of a large quantity of military property in the personal possession of the subject soldier. Furthermore, there is grave suspicion that Caporale Spinelli has participated in another important theft. The latter suspicion has not been substantiated definitely, however.

Having received orders from Sgt Major Cardullo Giuseppe, I, the undersigned, Cpl Major Mescoli Augusto, went to Foetto to have a light truck despatched to Via Torino office, at the disposal of Captain De Stefano.

I was at the end of Via XX Settembre trying to turn to Via Armando Diaz, when, noticing a civilian light truck coming from Viale Bonaria, I stepped on the brake and stopped the car, while the truck driver, without attempting to use the brakes, hit my car, as a result of which, the left front axle broke.

S T A T E M E N T

I, the undersigned, 2nd Lieut Salmeiraghi Augusto, belonging to the 7th Company, 59th Regiment, Calabria I.S. Division, upon verbal request of Capt De Stefano of the Allied Commission, certify the following:

At 0920 hours of 22 January 1945, I took advantage of a car (Fiat 1100 - Licence Plate R.E. 2691) going to Poetto to get a ride to S. Bartolomeo.

Car was proceeding at a moderate speed, and arriving at the junction of Via XX Settembre - Viale Bonaria, the driver slowed down and stopped the car in order to turn to the left to go through Via Armando Diaz. At the same time the car was struck on the left front side by a civilian truck - Licence Plate CA..... In the collision the left front axle was broken. I was sitting on the left front seat and was slightly hurt in the left side.

The fact that the car, which was struck, was stopped at the instant of the accident avoided greater damages to the car, to me and to the driver; damages that could be more serious under the circumstances.

Do intanto, l'attacco a Salmeronchi Auguste effettivo

verbale del Capitano De Stefani della Commissione d'Albergo
dichiaro quanto segue.

Nelle ore 8,20 del giorno 22 gennaio 1945, approfittando di una
autoretrovia Fiat 1400 targata R.E. 2694 che si recava al Posto,
mi recai per recarmi a San Bartolomeo.

La macchina brecciolata e moderata andava spacciata, quindi
giunsi all'incrocio tra via XX Settembre e via Bonaria, fra
cui si fermava accingendosi a voltare sinistra per
recarmi in via Armando Diaz: nello stesso istante la
autoretrovia veniva investita nel lato anteriore sinistro
da una camioncina civile targata Camion agitata
il corso dell'auto si spense il feroce antenne sinistro.
Lo stesso, che era ridotto nel veicolo anteriore sinistro
si portò una breccia continuando all'antenna sinistra.
Il fatto che la macchina investita si fosse fermata nella
ultima dell'investimento ha consentito a rendere
sufficiente l'identificazione, a me ed all'autista
che i due erano che a causa dell'auto, avrebbero potuto
essere più gravi.

Memo to Colonel Simmons:

The following is the information that Sgt Cardullo is able to furnish in regard to the foodstuffs used during General Browning's trip to Sassari, Macomer:

1. Train departed from Elmas Wednesday 16th August at 1330 for Sassari. Tea was served to 4 people on that afternoon. No supper served to the party on that day. Sgt Cardullo and Pvt Guarino reported to the Italian Sergeant in charge of the service on the train, asking something to eat since they missed supper at A.C.C. in Sassari. A steak, string beans, bread and two canned pears were served to them.
2. (Thursday) - Train departed from Sassari at 0730 hours bound for Macomer. No breakfast served to the party. Upon arrival at Macomer, Major Egerton entrusted Sgt Cardullo to take all those items from the train that he deemed necessary for the preparation of supper at the Badde Salighes Villa (Macomer). The following are the items that Sgt Cardullo received from the Italian Sergeant, which, together with Cpl Curtin and Pvt Seaver were brought over the aforesaid Villa and given to the Villa care-takers. (3 women - 1 man) - Supper was prepared by them:

- about 8 pounds of meat	1 can of butter
- 2 cans of pears	jam
- 2 cans grape fruit juice	1 can orange juice
- 300 grams of coffee	2 loaves of bread
- tea (about 200 grams)	1 can of milk
- 1 pound sugar	

On that day Sgt Cardullo, Cpl Curtin and Pvt Seaver had luncheon at the Villa because they could not have luncheon served at the Italian Officers mess in Macomer. A small steak, fried potatoes and bread was served to them.

3. (Friday) - Breakfast and luncheon served at the Villa. The 3 aforesaid servicemen had luncheon served on train. Soup, stew, vegetables, bread and canned pears were served. Returning to Cagliari tea was served to General Browning only. The others had orangeade.

NOTE: The train-crew was composed of 3 men - Service personnel was composed of: 1 sergeant, 1 cook, 1 waiter. They had all meals served on train.

It is believed that few items were left behind at the Villa.

Memo to Colonel F.L. SIMMONS:

7 Italian soldiers were scheduled to leave yesterday morning on a Wing plane to Naples. They could not leave owing to engine-trouble. I called C.M.S. at 4P.M. in order to have a truck from the Staging center take these men back to Cagliari. I learned this morning that Lieut Col Paulucci, C.O. of the Cagliari Staging Center refused to send the truck to pick them up, and they had to sleep on the ground out in the open.

MEMO TO: Colonel F. L. SIMMONS.

1. On 27 January 1946, I the undersigned, visited and inspected the Italian Detachment attached to the Psychological Warfare Branch, Allied Force Headquarters. My purpose was to look over the condition of the clothing of these men. The soldiers were fairly well dressed although about 15% of the men's clothing needed repair. Many soldiers had only one shirt and one pair of socks. Not all the shoes were in good condition, about 20% needing to be repaired.

2. This Detachment of fifty men, depending upon the 59th Infantry Regiment, was issued some second hand clothing and shoes in October, 1944. However, since the October issue, the number of men has increased to its present strength of fifty. Most of the transfers were poorly clothed and so under the present conditions, I therefore suggest the issue be made.
