SUBJECT: Automobile.

TO : Commanding General, Army Sub Commission, ACC.

1. Reference your cable SD 1385 dated 4 September, you are advised that, prior to his departure from this station, Colonel Rodzianko instructed the driver of the car he had used to have certain repairs performed during his absence.

2. Italian Military Headquarters has informed me that the car is no longer capable of satisfactory service. It is suggested, therefore, that a car be selected from those waiting in Cagliari for shipment to Naples.
