- Please remember what I told you yesterday evening, i.e.:
- sending Sgt. Maj. De Montis Giuseppe, of the Coghiani C.S., to Rome, as he has been urgently requested by the High Command to accompany material to be sent there (about 100 kg), as it exceeds the needs of the center.
 - it is necessary that I, at least, be given some document to show that I am collaborating with the Allies, in order to avoid the well-known bother and humiliations.
 - besides this, please use your authority to let me have six overalls for drivers, even used, so that I may give two ^{to} each of the center's drivers.

Thanking you. Regards
Capt. Picano.

Subject - Personnel memorandum.

Shoe conditions of depending personnel, 30 men, are really bad, and I believe that soon they shall not be able to carry out their duties any longer.

I went to the Military Command of Sardinia; I tried to make up by getting the Carabinieri Legion interested, and, finally, I tried to get the material necessary for repairs through the Provincial Economy Councils; but every activity was in vain.

I therefor beg you to be so kind as to willingly examine the matter and to consider the opportunity of issuing, to the Center, 30 pairs of American shoes, upon payment.

Many thanks and regards.

OGGETTO: PROMEMORIA RISERVATO PERSONALE.

Le condizioni della calzature del personale dipendente, in numero 30 elementi, sono veramente preoccupanti, tant'è che fra non molto ritengo che non potrà ulteriormente prestare servizio.

Mi sono rivolto al Comando Militare della Sardegna; ho cercato di rimediare interessando la Legione dei Carabinieri ed infine ho cercato di attingere il materiale necessario alle riparazioni attraverso i Consigli Provinciali dell'Economia, ma tutta la mia azione è rimasta vana.

Prego, pertanto, la S.V. di volersi compiacere esaminare benevolmente la questione e considerare l'opportunità di cedere a questo Centro n.30 paia di scarpe americane a pagamento.

Information on.
Reference: (a) My ltr. same subject dated 3 February 1944.
(b) My ltr. same subject Serial ND(157)/L8 dated
23 February 1944.

1. Reference (a) above requested three hundred and eighty-six (386) pairs of shoes for Royal Italian Naval Units. This request was approved, but owing to the limited supply of shoes available, only two hundred and three (203) pairs were issued.

2. Reference (b) above requested five hundred (500) pairs of shoes for Royal Italian Naval Units. This request was approved. However, the five hundred (500) total submitted did not include the balance of one hundred and eighty-three (183) pairs of shoes still to be issued under reference (a).

3. It is therefore requested that this balance totaling one hundred and eighty-three (183) pairs of shoes be issued, as approved by you.
