Sir,

Signora Zedda Rag. Virgillio, and his wife who have been of great, and I may add, indespensable help to this organisation whilst here in Cagliari, organising and presenting our Sunday evening classical concerts from the Conservatoire of Music.

Now it is imperitive that Signora Zedda and his wife return to Rome on essential business connected with the Italian Ministry. it would be very much appreciated if passage by air to Rome could be granted to them by the Allied Commission.

I am sir,

I am an italian officer, belonging to I.S.9. This organisation will relinquish my services at 14 July, 45. I would wish to express to you my gratefulness in advance -

1. Reference your letter No. 5457 of 28 May 1945 subject as above.

2. When the Allied Commission departed from Sardinia, this office and other Allied personnel made requests for passage on the Italian courier plane. The requests that were made were accompanied by a number of telephone calls from your office asking us to exchange a place on the ATC plane. In one or two instances it appeared that passage would not be granted unless a letter was received from this office for a ride on the ATC plane.

HIGH COMMISSIONER
FOR SARDINIA

TO ALLIED COMMISSION LIAISON OFFICE
(ICIA) - CAGLIARI

No. 5457

SUBJECT: Passage on Italian Air Courier.

1. Letter dated 21 May, subject as above and two inclosures, your office, have been noted.

2. In regard to the allocation of space on courier Cagliari-Rome, this High Commissioner's Office based its policy on instructions received by the Italian Air Force Ministry in circular dated 22 January 1945 - No. 1753, which established that the 6 available seats on each courier be distributed at follows:

2 at the disposal of the Allied Commission for Italian Agencies or Industries working for the war effort.
1 for the President of Consiglio dei Ministri upon request from various ministers.
1 for the Transportation Staff.
1 Italian Royal Air Force.(
1 connection service with the various lines.

3. This High Commissioner's Office, even without the specific request from Allied Authorities, always gave priority to requests for space from industries, firms or agencies known as working both for the Allied and Italian war effort.

Requests for space for Allied officers or for people recommended both by the Allied Commission and by your office were always thoroughly fulfilled with high priority, cancelling some other passengers' bookings whenever necessary.

4. Due to the known difficulty of transportation between Sardinia and the mainland, and therefore, in order to utilize fully the courier space, seats at the disposal of the Allied Commission were assigned to other passengers when available.

5. Requests for passage on Allied planes from this office, never did aim to pretend or obtain from A.T.C. an exchange of space, but only when it concerned some very urgent cases that we could not fulfill with the means at our disposal, we applied to the well known courtesy of the Allied authorities.

I am sure that said inconvenience is due to a misunderstanding. However, if your office would be kind enough to notify us when such inconvenience happened, it will be very much appreciated by the undersigned.

It must be clearly understood that on each trip in either direction that two seats are reserved for Allied personnel, or those recommended by A.C. on the Sardinia trip, and one seat each on the Lecce and Palermo runs. Please advise the Cagliari office of this reponsibility.

Now that the High Commissioner has taken over we are having difficulty getting Allied personnel aboard. Il sottoscritto Ing.Giovanni Pirino, Direttore Centrale delle Ferrovie Complementari Sarde e delle Strade Ferrate Sarde dovendo recarsi con tutta urgenza a Roma per conferire col proprio Amministratore Delegato e col Ministero dei Trasporti circa provvedimenti necessari ad assicurare il finanziamento dei due Esercizi ferroviari in Sardegna, e dovendo altresì discutere presso lo stesso Ministero, Ufficio Monopolio Carboni, alcune vertenze riguardanti l'emissione di mandati di pagamento per carbone fornito dall'On.le Commissione Alleata e dalle Ferrovie dello Stato, rivolge vivissima preghiera all'Ill.mo Signor Colonnello Comandante M.M.I.A. affinchè voglia autorizzarlo a viaggiare con uno dei mezzi aerei alleati in partenza dall'aeroporto di Elmas.

Si fa presente che tanto il finanziamento dei due Esercizi ferroviari come la definizione delle vertenze per la fornitura del carbone rivestono carattere di assoluta urgenza, per cui sarebbe oltremodo dannoso, nell'interesse dei trasporti ferroviari affidati alle due Società, attendere il turno di partenza con l'apparecchio civile o col piroscafo Abbazia, a motivo delle numerose domande che ancora attendono evasione, del limitato numero dei posti e del tempo che il sottoscritto dovrebbe restare assente dalla Direzione.

Il sottoscritto, in altre due analoghe circostanze, ottenne dall'allora Capo della Commissione Alleata Signor Colonnello Pennycuik l'autorizzazione a viaggiare con l'aereo inglese: pertanto confida che anche il Signor Colonnello Albert vorrà tenere in giusta considerazione le ragioni esposte nella presente concedendo anche questa volta l'autorizzazione al sottoscritto.

TO : M.M.I.A. - Colonel Simmons' Office - Cagliari.
(Following letter No. 1439/1/17 Of 24 Dec 1944)

1. Herewith forwarded is the roster of the disabled servicemen hospitalized at the Cagliari Military Hospital pending shipment to Rome for subsequent hospitalization at the Center for Disabled Servicemen in which they will be treated with prothesis apparatus; the type of disability is indicated for each one.

2. As it has already been brought to your attention, it is not advisable to transfer them via Naples, for obvious reasons; it would be necessary therefore that a few seats on the Allied planes bound for Rome be granted to them whenever possible; Colonel Simmons, verbally informed of the matter by the Chief of Staff, this Headquarters, already promised to give them his kind personal assistence.

3. You are informed that the convalescent servicemen who were mentioned in letter referred to, already departed for the mainland on 10 January with cruiser Montecuccoli; this HQ had to ship them since a further delay could have been harmful to their conditions.

A kind reply will be appreciated.

OGGETTO: invio in continente di militari mutilati.-

ALLA M.M.I.A.- Ufficio del Colonnello Simmons =Cagliari=

Seguito foglio n.14439/1/17/op. del 24 dicembre u.s.-

1.- Si trasmette l'elenco dei militari mutilati, ricoverati presso l'Ospedale Militare di Cagliari, che sono in attesa di essere avviati a Roma per il successivo ricovero presso quel centro mutilati il quale provvederà ad applicare loro gli apparecchi di protesi; per ognuno é specificato il genere della mutilazione.-

2.- Come già fatto presente, non é opportuno - per un complesso di ragioni facilmente intuibile - effettuare il loro trasporto via Napoli; occorrerebbe pertanto che fosse loro concesso qualche posto - ogni qualvolta possibile - sugli aerei alleati in partenza per Roma; il Signor Colonnello Simmons - interessato in merito verbalmente dal Capo di Stato Maggiore di questo Comando - ha già promesso il suo cortese personale interessamento.

3.- Si fa noto che 4 militari convalescenti, dei quali era pure cenno nel foglio cui si fa seguito, sono già partiti per il continente il giorno 10 c.m. con il R.I. "Montecuccoli"; questo comando ha dovuto stabilirne la partenza in quanto una loro ulteriore permanenza nell'Isola avrebbe potuto avere dannosi effetti sulle loro condizioni.

Si gradirà un cortese cenno di risposta.-

SUBJECT: Shipment to the Mainland of Sick and Disabled Servicemen.

TO : M.M.I.A. - Colonel Simmons' Office

1. A few servicemen are at present hospitalized at the Military hospital of Cagliari recovering from serious sicknesses and some who suffered serious amputation of limbs as a result of wounds or diseases acquired on service; they should be sent to the mainland to spend a long period of convalescence in order to recover completely or to be hospitalized at the Center for disabled in Rome where they would be treated with prothesis apparatus.

2. In consideration of their present condition, this Hq does not deem it opportune to transfer said servicemen by sea due to the discomforts of the trip and particularly due to the noteworthy difficulties that they would have to face to proceed from Naples to Rome.

3. It would be therefore necessary to transfer them by air; but this Hq is absolutely unable to provide for their transfer owing to the limited availability of seats on the Cagliari - Rome Air craft (2 per week).

4. Your Commission is kindly requested to consider with benevalance the possibility of granting a few seats on the Allied aircraft bound for Rome (according to the availability) in order to send the servicemen in question to their destination in small groups.

5. A nominal roster of the convalescent servicemen ready to move is herewith attached; that of the disabled servicemen will be forwarded later on since their papers are still being cleared with the Center at Rome.

SUBJECT: Transport, Special Personnel

TO : Commanding Officer, U.S. Naval Detachment, Cagliari

1. Under the provisions of Allied Garrison Sardinia letter dated 17 September 1944, it is specified that all requests for transportation of non-Italian army personnel to Naples on vessels allotted to MMIA for troop movements will reach this office forty-eight hours in advance of sailing time of ship concerned.

2. Under dates of 29 and 30 September, three requests for transport of U.S. Navy personnel (one Red Cross employee) have reached this office less than twenty-four hours before sailing time. In one case letter (unidentified by reference number) arrived four hours after departure of vessel concerned.

3. Such action necessitates refusal by this office or embarrassment because of requesting Transportation, A.G.S., to manifest extra personnel by a supplementary letter. (The letter from this office to Transportation leaves not less than thirty-six hours before sailing concerned).

4. Request closer adherence to the practice announced in letter referred to above.
