1. A growing tendency has developed of addressing messages to this HQ "PERSONAL" for some named individual. This is of course proper in certain cases where it is desired to limit distribution. It is misused however when it is merely the intent to ensure that the message reaches the proper person and under the procedure now in effect within the HQ causes such unnecessary clerical labor and delay in distribution. Usually it is unnecessary to name the individual who is to take action in the latter under correspondence but where the originator desires to ensure that his message is seen by a particular individual but does not desire to limit distribution to him, the message should be addressed to him, but the word "PERSONAL" should not be used. Correct address in such a case would be "AFHQ FOR J. JONES".
2. Where it is the intent to limit distribution to the addressee, or such persons as he may designate, it is urgently requested that the message be addressed for his eyes only, for example, "AFHQ FOR J. JONES EYES ONLY", or "AFHQ PERSONAL AND PRIVATE FOR JONES". This method of address will only be used by subordinate commands in the case of messages for SAC, D/SAC, CHIEF OF STAFF, DEPUTY CHIEF OF STAFF, CAO, CC USA and CHIEF OF STAFF IN USA.
