1007 G.T. Coy. 502 Guards Bn.
2. Attached are also indents submitted from time to time by 820 Line Coy - only the items marked in red have been received. Copy of the units latest indent is also attached.
3. The Line Training School at FRANCAVILLA FONTANA submitted indent ref No. 03/11827/379 on 11 Aug for 105 Boots, 80 Belts, 25 Battledress, 6 Caps, 240 Socks and 85 Shirts to complete the clothing scale for pupils of the second course.
4. This was turned down by you on the pretext that an issue had already been made to the school. This, of course, is right, but the pupils of the first course used up the whole of that allocation.
5. It is requested that items demanded be immediately assigned as well as the items requested on indent ref No. 03/14098/379 of 23 Sep 44 of which copy is attached.
6. This latter indent is to complete the clothing and equipment to scale of the pupils of the third course.
