Dato che tanto la scuola Telegrafisti per A.A. di Francavilla Fontana che il 172° Comando Italiano Collegamenti dipendono disciplinariamente da questo comando è dato che al 172° Comando Italiano Collegamenti occorrono 50 militari in qualità di complementi, si prega voler autorizzare questo comando a inviare direttamente al 172° Comando Italiano Collegamenti, di stanza a Mola di Bari, i 50 militari guardafili di cui abbisogna prelevandoli da quei 100 militari circa che da tempo hanno completato il corso presso la scuola Telegrafisti per A.A. in Francavilla F.

Ciò allo scopo di poter ripristinare subito le deficienze del 172° Comando Italiano Collegamenti, senza passare attraverso il 173° Comando Italiano Collegamenti.

on 19 Nov.

1. 513, 514 and 515 Italian Line Sections are being formed by
173 Italian HQ Coy at NOCERA under authority of 3 District.

The bulk of the personnel have already been provided from
210 Op Mista Genio and from output from Line School at BRANCAVILLA.

The undermentioned deficiencies, however, exist and cannot
be filled from the above resources.

3 Junior Officers (Capts or Lieuts)
9 Sergeants
15 Gpls or Gpls Major.

It is requested that these personnel be found from
Italian sources and dispatched to 173 Italian HQ Coy.

2. It is not estimated that the output of the M.T. School

Combat Groups.

It is intended therefore, to open an M.T. School primarily
for the training of Signals drivers from the Combat Groups.

OSO 3 District has agreed to establish such a School and
it is requested that the undermentioned personnel be provided as
instructors.
