1. It is recommended that a/n OR be transferred to RASC as Clerk, Gp C, Class III.

2. Since coming to this Mission several months ago he has been employed on orderly duties. He has gained a good knowledge of HQ clerical procedure from his general duties which, while still including a certain amount of unavoidable orderly work, now include such things as out registry, library maintenance etc. I consider that the services he renders to this branch merit his upgrading.

3. Will you therefore please request GHQ 2nd Echelon for authority for this transfer and mustering to be effected.

1. Ref MIA letter No. <sup>54/101 05</sup> <sub>8 Nov 45</sub> to GHO, ET copy to you, I attach to this letter:

at: App. 'A' - Recommendations for implementation of the new est. when approved from personnel now with 53 BU.

App. 'B' - Details of ORs then available for reporting as surplus to new W.E.

App. 'C' - Recommendations for retention surplus to new W.E.

2. In view of the recent loss (on Release and posting) of a Sgt., Col., Bombardier and Pte., all clerks, it is particularly hoped that you will allow the postings and temporary attachments of clerks recommended at Appx 'A', so that some continuity may be preserved in the clerical side of the unit.

3. It is <sup>now</sup> proposed by MIA, in view of the particular importance of Ordnance in the present changeover period from British to Italian Command and Administration, that Ordnance Officers should be retained with BU's. As can be seen at Appx 'A' this BU now depends mainly on Ordnance personnel for general clerking. The retention of Pte. Stilling RACC is therefore requested to assist in the purely service side of Ordnance which still requires the assistance of more than the L/Cpl. clerk allowed.

4. MIA and HQ 2 Dist have agreed that the REE Increment found by REE 2 Dist shall remain attached to this BU. This increment has fallen to one third of strength owing to admissions to hospital and IIAF, and Pte. Orrell RACC (see Appx 'C') is indispensable as Storeman to the Increment so long as it continues to function.

5. The 'B' Type BU to be established at FLORENCE (included at Appx 'A' 2) has been mentioned as an affiliated unit, but it is assumed that MIA will deal with you direct on the subject of its establishment.

6. It is hoped that a lenient view will be taken of these requests since:

the postings and temporary assignments of the clerical side of the unit.

3. It is <sup>now</sup> proposed by MIA, in view of the particular importance of Ordnance in the present changeover period from British to Italian Command and Administration, that Ordnance Officers should be retained with MU's. As can be seen at Appx 'A' this MU now depends mainly on Ordnance personnel for general clerking. The retention of Pts. Stilling RAC is therefore requested to assist in the purely service side of Ordnance which still requires the assistance of more than the L/Cpl. clerk allowed.

4. MIA and HQ 2 Dist have agreed that the REE Increment found by REE 2 Dist shall remain attached to this MU. This increment has fallen to one third of strength owing to admissions to hospital and LIAP, and Pts. Orrell RAC (see Appx 'C') is indispensable as Storeman to the Increment so long as it continues to function.

5. The 'E' Type MU to be established at FLORENCE (included at Appx 'A'2) has been mentioned as an affiliated unit, but it is assumed that MIA will deal with you direct on the subject of its establishment.

6. It is hoped that a lenient view will be taken of these requests since:

- (a) Until posting of replacements this MU will be under est. in the most important categories.
- (b) From being a MU with one Italian Inf. Div. it has become for an interim period the Liaison Unit between British HQs on one side and two Italian Divs. plus a Territorial Comd. HQ on the other, in addition to its primary role of training and advising all these Italian tys. and HQs.

Distribution 'B' British

1. Information has now been received from the War Office that compulsory posting overseas of ATS has now ceased, and AOI 370/45 will be amended in due course. GRO 638/45 will shortly be cancelled.
2. As only volunteers will now proceed overseas, and they have the option of withdrawing their certificates at any time until being called for actual drafting, it is considered that fiances should arrange direct with officers or auxiliaries of the ATS any question of withdrawal of overseas certificates.
3. In the case of the Women's Services of the RM and RAF, it is understood that there are, and it is likely that there will continue to be, sufficient volunteers forthcoming to meet overseas requirements, which means that women serving in these Services are not normally posted compulsorily overseas, so that, as for ATS, the problem should not necessarily arise. In the case of members of the WRNS, however, requests for deferment of their posting may be forwarded by their fiances (if British Army officers or O/L) together with the relevant facts, direct to the Director, Women's Royal Naval Service, Queen Anne's Mansions, LONDON, S.W.1.
4. The position with regard to personnel of QAIMS is not altogether comparable with personnel of the ATS, in view of the military status of QAIMS, and they are of course still liable for posting overseas.

3. In the case of the Women's Services of the RN and RAF, it is understood that there are, and it is likely that there will continue to be, sufficient volunteers forthcoming to meet overseas requirements, which means that women serving in these Services are not normally posted compulsorily overseas, so that, as for ATS, the problem should not necessarily arise. If, however, an application is received from a British Army officer or other rank for deferment of posting overseas of an engaged nursing officer, or woman member of the RAMC or AD Corps, on the grounds of his anticipated return to UK within 12 months and of his intention to marry the woman in question as soon as possible after his return, full details of the woman concerned may be submitted to this HQ, and although no guarantee of any sort can be given, every effort will be made to arrange for her retention in UK.

Application will be submitted only by those considered to have a reasonable chance of return to UK within 12 months.

5. It is emphasised that the concession in para. 4 applies only to British Army personnel and NOT to personnel in the other services or in Allied Forces.
6. Applications already made in connection with nursing officers or women members of the RAMC or AD Corps may be re-submitted if desired.

RECORD INSTRUCTIONS TO R. SIGNALS (WHIS NO. 33)

1. SERVICE - REGULAR SOLDIERS - RE-ENGAGEMENT TO COMPLETE 21 YEARS SERVICE

Ref Record Instruction No. 26 dated 19 Jan 45, para. 3(b)(2)(ii).

Applications which have been refused because the soldiers were not eligible for re-engagement at the time of publication of AFI 854/44, i.e. 5 Jul 44, may now be reconsidered by the War Office (A.G.1(c)) in cases where the soldiers were eligible on 1 Jan 44.

It is emphasized that only applications which have already been rejected will be considered.

Applications may be submitted on AF B.136 with covering letter, to this HQ.

2. RESTORATION OF FORFEITED SERVICE

Text of War Office letter 19/0/725/A3 1(c) is repeated below for information and guidance :-

With reference to KR 1940 para. 266(a)(i), it has been observed that in certain cases applications based on meritorious service in action do not state the details of such service.

In future, an application of this nature cannot be considered unless a full statement is given by the soldier's CO supported by details of the service in action upon which the recommendation is based. The application will be forwarded through the usual channels, endorsed by the personal recommendation of the Brigade or equivalent Commander."

RECORD INSTRUCTION TO R. SIGNALS UNITS, HQ 33.

1. NOTIFICATION OF CASUALTIES TO NEXT-OF-KIN RESIDENT IN CHANNEL ISLANDS AND IN FORMER ENEMY OCCUPIED TERRITORY IN EUROPE.

Letters of condolence to next-of-kin in the Channel Islands and in former enemy-occupied territory in Europe will no longer be sent to the Home Records Office or the Channel Island Refugee Committee for re-direction, but will be despatched direct to the next-of-kin.

Alternatively, action may be taken in accordance with GRO 89/44 para 4.

It is probable that many next-of-kin living in the Channel Islands and in liberated countries of Europe will have changed their address during the occupation. All OSC units, therefore, please check all addresses and, where necessary, take action as laid down in ACI 667 of 1944, para 1.

2. RELEASES - REGULAR SOLDIERS.

When a Regular Soldier completes his period of Colour Service, deletion of the prefix 'DR' from his Age and Service Group Number should be reported by OC units to this HQ on AF.W3011A or AF.W3012A as applicable. The deletion will then be published in Part II Orders by this HQ.

3. DRIVING LICENSES.

Reference ACI 735/45.

(a) Following is an extract from Officer i/c R. Signals Records letter ADD/15651/316 dated 12 Jul 45:-

"In order to ensure that Army Form A2039 (Certificates of Passing Driving Tests) are completed for each individual who successfully passes a driving test for the group or groups for which qualified the duplicate copy should be forwarded to this Office together with the Part II Order publishing the driving test. The Part II Order in which the driving test are published should also show an entry 'AFSA2039 (duplicate) to Records herewith'.

Pro-forma in lieu of AFs A2039 can NOT be accepted.

4. APPOINTMENTS - OFFICERS

This HQ is experiencing difficulty in effecting publication of officer appointments in General Routine Orders through failure on the part of units to submit copies of necessary authority at the same time as AF W3010 is rendered.

The submission of AF W3010 without such covering authority is useless and leads to unnecessary correspondence.

4. APPOINTMENTS - OFFICERS (CONTINUED)

Dep Mil Sec, AFHQ authority is required for all Staff Appnts and appts to CC and 2 in C of reptl units. Appointments to extra-regimental posts such as Town Majors, Commandants of Payers - PW Camps etc., Instructors, etc. require AFHQ C-1 (Pr) authority, (GRO 505/45 refers).

These instructions apply equally to officers appointed in LIAP, LILOP, etc. vacancies.

Units will, in future therefore, always obtain the authority referred to above before submitting the relevant casualty report to this HQ.

STATEMENT BY 210140, CAPT. E. L. MONCK-MASON, R.A.S.C.,  
Maison Officer, LAND FORCES SUB-COM., A.C.,  
M.M.I.A. o/c 54 AREA.

At approx. 12.30 hrs, on SUNDAY, 28 OCTOBER, 1945, I rang the bell in my Mess at 160, Corso Vittorio Emanuele, BARI, in order to obtain the key of my Office from S/3778921 PTE. J. DOYLE, R.A.S.C., who is my Clerk.

My Italian cook, FRANCESCO RICCI, answered the bell, and eventually brought me the key himself. I informed him that I wished to speak to Pte. DOYLE, and he replied that it was not possible, as he (Pte. DOYLE) was 'molto zig-zag'. I immediately went into the kitchen, where I found Pte. DOYLE, who had obviously been drinking. I spoke to him, and told him he had better go to his room, and that I would see him in the morning, but he remained and became truculent and abusive, repeating the remark, "I'm browned-off", many times. I again warned him to go to his room, and he refused, saying, "You can do what you like". I then went to the floor below, where I telephoned for the Military Police to come and take him into protective custody, as I feared he might cause trouble in my kitchen amongst my Italian cook and an Italian woman washer-up.

After a few minutes, 2 CMPs arrived with a vehicle. The senior CMP three times ordered Pte. DOYLE to stand to attention, but he failed to obey these orders. Pte DOYLE was then removed forcibly down the stairs to the vehicle below.

SUPPLEMENTARY STATEMENT BY CAPT. E. L. MONCK-MASON, R.A.S.C.

If possible, I wish to request that the charge or charges against S/3778921 PTE. DOYLE, J., R.A.S.C., of Land Forces Sub-Comm., A.C. M.M.I.A. 54 Area, be dropped, for reasons as follows.

Pte. DOYLE is being posted to another Unit in this Area where he will be under more strict supervision and discipline than can be afforded by a Liaison Office of this nature.

He is normally industrious, willing, and honest. Since his return from LIAP over a month ago, he has been worried on account of his mother, who, I understand is ill. Also, up to the time of the offence in question, he had not received any mail, either from his relatives or from his girl, who has apparently found someone else. It is thought that these factors contributed largely to the unfortunate incidents on SUNDAY, 28. October, last.

In view of the fact that Pte. DOYLE is being posted to another Unit, any charges against him would have to be forwarded on, and preferred against him there. It is considered that this might unduly prejudice his chances there. I therefore ask that these charges against him be dropped, as he appears to have been suitably frightened and punished already by his night in the Military Prison.

1. Confirming conversation of yesterday's date, (CAPTS. GAIN-MONCK-MASON speaking,) it would be appreciated if you could arrange for the under-mentioned soldier to be cross-posted with another soldier within this Area.
2. Details of this soldier are as follows:  
S/3778921 PTE. DOYLE, J., R.A.S.C. has been employed in this Liaison Office as a Group 'C', Class III RASC Clerk, and is held against the W/E of 33 MILITARY MISSION, otherwise known as LAND FORCES SUB-COMMISSION, A.C., (M.M.I.A.) Med. Cat. A.
3. I have contacted my HQ in ROME, and have been authorised by the Camp Comdnt there to arrange this matter with you if possible.  
It is considered advisable and in the above-named soldier's best interests, that he should be posted to a Unit, where he will be among men of his own age (23), and where there is more supervision and discipline than can be obtained in a Liaison office of this nature.

1.- It is requested that the undermentioned be promoted paid A/Cpl if a vacancy exists on war establishment.

14606157 Pte J. Webb

2.- My reasons for this request are as follows:

- a) I have known Pte Webb for some time, having had experience of his work when with MMIA IO 1 District and it has always been entirely satisfactory. He is very conscientious, level-headed and hard-working and is thoroughly capable of running an office.
- b) I require a responsible N.C.O. who can be placed in charge of the Other Ranks billet, and I consider that Pte Webb will prove entirely suitable.
