1. May the following please be pointed out, for your consideration:

- (a) Dvr Shoebidge has been with this Mission for a period of two years. Although he may have been on the nominal strength of HQ 2 District, he has never actually performed any duty with that unit, but has been described by that unit as surplus to S.E. until detached to this Mission two years ago.
- (b) he has recently relinquished his rights for Class "B" release for the sole reason of staying with this unit.
- (c) Dvr Shoebidge is at the moment employed as a driver, and as such his duties are of a great variety including collecting and distributing rations, acting as storeman, etc. and it would be extremely difficult to find a right person to replace his valuable services at this time.

2. In view of the above it would be greatly appreciated if your above Posting Order could be cancelled, and a posting to his Unit arranged, please.
