1. Owing to the low strength of this unit it will be appreciated that the feeding of extra personnel, especially those who stay overnight, presents a serious problem.
2. On the night of 28/29 Mar this unit accommodated 5 ORs who arrived without rations. This indicated a 50% increase in demand.
3. Whilst this unit is prepared to welcome any personnel, it is earnestly requested that soldiers reporting here be provided with haversack rations or uncooked rations in lieu of haversack rations, and particularly with the ingredients for tea.
