The s/n. of A/S Group 5, is due to report to 150 Transit Camp, on 17/1/46, for onward transmission to Milan on release.

COME D'Inverno, is a key man in this HQ, and has been in charge of my office, doing work of an administrative nature; the HCO who has been posted to replace him has had very little time to pick up the job, and the stores etc. have not yet been completely handed over, therefore, it would be greatly appreciated if COME D'Inverno could be permitted to return to this HQ between the date of reporting to you, and the date of departure from Rome.

We would be grateful if a testimonial could be completed by your unit, and forwarded to us, as Mr. Lewis served with you from Oct 1942 until Jan. 1943.
