It seems to have involved him in Court Martials etc.. I should be very grateful if you could let me have an report on his behaviour, army record etc. to enable me to judge how best to deal with the man.

4th July 45.

Camp Commandant, MMIA.

Sir,

1. I respectfully bring to your notice a disturbance which originated from the Albergo San Georgia between midnight and 1AM on the 4th of July.
2. After a dance which terminated at approximately midnight, a party of hooligans continued with a sing song until 1AM. Repeated attempts were made to stop same, but all were ignored. This nuisance has occurred on many occasions, and the occupants of the Albergo Vaccari are unable to sleep.
3. Please may steps be taken to prevent a re-occurrence of the above.

I am, Sir,

Your obedient Servant.

Short summary of case.

Pte. Erney has been happily married for 11 years. Recently he received the news that his wife is expecting a baby by another soldier. This is the first inkling he has had that there is trouble in the home. Compassionate leave would permit this OR to see to the welfare of his children about whom he is very concerned.

Short summary of case

This BCO's father owns a one man building business and, prior to the war, was assisted by Bdr. Webber. Mr. Webber is now in extremely bad health and we hold a doctor's certificate to say that it is unlikely that he will ever be well enough to attend to his business. We have twice applied for a compassionate posting but each time the application was turned down by AFHQ as they did not consider the grounds sufficient. Bdr. Webber feels that if he were granted a leave in U.K., he would be able to relieve his father's anxiety about the business and could also help in straightening out his affairs.

Short summary of case.

Applicant's wife has no parents living and is alone in England. She gave birth to a daughter after her husband's departure for abroad. In January 1944 Pte. Spitzer was wounded and was erroneously reported killed in action, a fact which caused Mrs. Spitzer considerable mental trouble. Last August their home was hit by a rocket bomb and Mrs. Spitzer has had to set up house with what furniture she could salvage. In December Pte. Spitzer was again wounded and though he has written his wife reassuring letters, he states that "she has taken this last incident very hard and is causing me great concern regarding her health and the care of her baby."

It is felt that a leave in the U.K. would enable Pte. Spitzer to be of considerable help to his wife.

 Subject: Compassionate Leave is O.K.

8/1/45.

Sir, I submit this my application to the above mentioned subject with the following reasons. My wife's health has suffered greatly since I left England in April, 1943. She gave birth to a child in June 1943. The fact that she was on her own, having no parents, and without me at that occasion made it very hard for her. Furthermore, on the occasion that I was wounded in January 1944, the fact was reported to her in "code" so I was killed in action. This aggravated her physical condition and caused me a lot of worries in mind. However, after a spell of comforting letters I was shocked to get a letter from her telling me that our home had been hit by a rocket bomb last August, making the conditions in our flat so bad that we had to be evacuated from the borough, she & the child were evacuated from London. After getting a 2974

A new temporary home she made to
best of a bad job. But unfortunate
to follow her footsteps. Again I was
wounded. This was in December 1946
that was caused her great distress
so much as I do by writing her not to
worry over me although my wound
has left me with a slight disability,
she has taken his last incident very
hard and is causing me great concern
regarding her health and the care of
the baby. It is for your sake and to
convince my wife here, and in some
my presence alone - will greatly help
matters, that I submit this application
and trust that you will give this
matter your consideration. Hoping
this meets with your kind approval

To:- Camp Commandant.

Sir,

I respectfully submit this, my application for a consideration for a compassionate leave to UK (under LIAP). I have twice previously applied for a compassionate posting to UK, only to be turned down on both occasions, as the case not being strong enough to warrant a posting to UK. I apply on the following grounds:-

My father who carries on his own business as builder, has recently been unable to carry on his work owing to bad health. He has from time to time been confined to bed, after which although not fit, he has endeavoured to (contrary to doctors orders) work, solely for the purpose of keeping the business going, until such time as I can

turn home. Previous to my enlistment I worked with my father, and I personally feel that my return home would not only relieve my father, but also that I would be able to see how affairs are,

Trusting this application will be given a consideration,

Dear Sir,

Please excuse me in taking the liberty in writing to you, at present I am convalescent and I am likely to be leaving in the near future. The Canteen Camp Commandant came to see me and told me he wanted me back as soon as I was fit again so if it is possible you would you please let me know so as I can make arrangements at this end. My old job was Post Orderly, if it is possible for me to come back it will mean a track coming to pick me up at the depot as some one must sign for me here. I should be glad to get back as I have been with the unit since it was formed. Hoping this meets your approval.
