SUBJECT: - DEFERMENT ON EYTHON

DISTRIBUTION 'R' (BRITISH)
(For the attention of all Commanding Officers)

1. Since deferment of EYTHON does not have an effect on a soldier's career comparable with deferment of his release, rulings applying to DOV need not be taken into account when deferring EYTHON.
2. The policy over deferment of EYTHON is that, apart from the limiting of the total period of EYTHON deferment to a maximum of three months in each case, the officer competent to defer EYTHON shall have all discretion. This discretion is allowed on the assumption that, in the interests of morale, DOV of EYTHON will be kept to the essential minimum and will not be regarded as a normal expedient.

1. I fwd herewith, fully recommended, application on the part of the a/n to return to UK on PYTHON. This despite the fact that he voluntarily relinquished his rights to repatriation under the PYTHON scheme on an approx date as stated in the application. I have verified all other dates incl in the application and find them to be accurate.

2. Knowing the circumstances in which this WO at present finds himself, I consider his to be a fully justifiable case and thus have no hesitation in recommending that his request be granted.

17 Sep 46

TO : Camp Commandant,
LAND FORCES SUB COM, A.C. (MMA) - (2).

Sir,

I herewith submit application for cancellation of my deferment of PYTHON, the certificate for which I signed on approx 10 Apr 46.

I first embarked from UK on 21 May 1942 and have, in consequence, completed 4 years and approx 4 months of overseas service, broken only by LIAP which commenced on 10 Aug 1945.

My reasons for wishing to cancel my PYTHON deferment are somewhat complex, but I wish to state that they are of a highly urgent nature and, if at all possible, necessitate my rapid return to ENGLAND.

My term of military service with the Army is due to expire on or about 20 Oct 46 with the release of A&S Group 42.

In view of the above, I therefore request that this application may receive your due consideration please, and that should my case be considered favourably, GHQ 2nd Ech be requested to give authy for my despatch on PYTHON at the earliest possible date.

I remain, Sir,

Your obedient servant,

1. Sgt WARD is Age/Service Group 43, and is thereby due for discharge from the Army in Nov 46.

He was, however, entitled to return to England at the end of this month on PYTHON. Because of the difficult clerical situation, he agreed to postpone his PYTHON until mid-Sep 46.

2. September is going to be a difficult month for us for clerks, and I feel that the following offer made by Sgt Ward is a good one and worth consideration:-
3. In Sep Sgt Ward will, unless other arrangements are made, automatically go home on PYTHON.
In place of this, he is prepared to sign on for a further six months from date of discharge (Nov 46) and take LILOP in lieu of PYTHON.

LILOP is normally 61 days in UK. Sgt Ward would like to have only one month at home, being recalled by the same device as is being employed for Sgt Leach.

Under such an arrangement, Ward would leave the HQ on leave on approx 1 Sep 46, return mid-Oct, and stay until approximately May 47.

4. Would you please say if Ward should go ahead with this.

TO : C-1(EF)
HQ RAAC

S/20858. SGT DAVIES EV RAAC

1. Application is submitted for authority for the despatch of the above-named WO to UK on PRIVILEGE No 10 on compassionate grounds as given below.

2. This WO has been deferred as operationally vital (DOV) until end Sep 46, and it is probable that he will remain with this HQ for perhaps two or three weeks after this time.

Although domiciled in UK, he will proceed on discharge in early Oct 46 direct from this theatre to South Africa to take up employment there. The terms of his contract require his presence in South Africa within two months from the date of his discharge, thus excluding the possibility of other satisfactory arrangements being made.

His last leave of any sort was LIAP taken in Nov 45, and he is now entitled to two weeks privilege leave. This leave he is very eager to spend in UK with his family before proceeding to South Africa. Failing this, it will not be possible for him to see his family for some years.

3. Additionally, this WO is presently being divorced from his wife, and there are several aspects of this matter which require his attention in UK.

4. In view of the above circumstances this HQ strongly recommends that consideration be given to this WO's case, and that authority be granted for him to take advantage of PRIVILEGE facilities to spend one week of the local leave due to him in UK.

In making this recommendation the standard of this WO's services to this HQ, and his willing cooperation in the matter of deferment, have been given careful consideration.

Personnel travelling to and from leave will wear uniform. Plain clothes may be worn optionally after arrival at the leave destination during leave periods of 48 hours and upwards.

Personnel proceeding to EIRE will report to the London District Station Centre, Chelsea for such other duties as may be notified from time to time, for the provision of civilian clothes. On no account will uniforms, arms or accoutrements, military documents or any article or photographs which may affect some information to enemy agents, be carried on the person of the individual or in his or her baggage.

When a soldier on leave is prevented by unavoidable causes, other than sickness, from reporting for duty before the date on which his leave expires, he is to report himself before that date—

To the nearest General or other Officer on the Staff of the Army, or to the Commanding Officer of any Unit, or to the nearest military unit (other than Home Guard) under the command of a Major, taking with him such verification as the case may require; or (if none of them is within convenient distance) to a Justice of the Peace.

When a soldier on leave wishes to apply for an extension on urgent compassionate grounds, he should make application to the Under Secretary of State, War Office (A.C.14), London, E.C.1, enclosing a medical certificate or police certificate in support of his application.

If a soldier or A.C.1. auxiliary is taken ill or requires urgent medical or dental treatment while on leave, the procedure is—

1. Report in person to the nearest military or other Service Medical Establishment, or Emergency Medical Service Hospital, the location of which can be obtained from the nearest Air Raid Warden or Police Station.

2. If unable, because of your illness, to report in person, you must send a message to the nearest Military Medical Unit and ask for instructions.

3. If unable to do either (1) or (2) because of distance involved (over two miles) you may visit, or call on, a Civilian Medical or Dental Practitioner, to whom you will show this part. You will at once report the employment of a Civilian Practitioner to your Officer in Charge, stating in the report your Army number, rank and name.

4. If, through sickness, you are unable to travel at the expiration of your leave and are under the care of a Civilian Doctor, you must obtain a certificate to that effect from the Doctor and forward it at once to your Officer in Charge.

The address of your Officer in Charge is—

To the Civilian Practitioner

(a) When a soldier is sick at the expiration of his leave and a Civilian Medical Practitioner is in attendance, the latter should be guided, in the action he takes, solely by the soldier's fitness or unfitness to travel.
