CONFIDENTIAL.NOTES FOR THE GUIDANCE OF COMMANDING OFFICERS.PROCEDURECESSATION OF FAMILY ALLOWANCE - A.C.I. 437/44.

1. Requests for the cessation of Family Allowance on estrangement cannot be accepted unless

- A. Reconciliation has been attempted through S.S.A.F.A. and the soldier's decision has been made after being informed of the contents of the S.S.A.F.A. report.
- or B. Definite instructions for the institution of Divorce Proceedings have been given, or, where the case is being dealt with through Legal Aid Section, that authority has approved the application.

2. Applications under Para. (1a) should be accompanied by a copy of the S.S.A.F.A. report and under both paras 1a and 1b by the soldier's signed statement as under:

"I hereby request that Family Allowance in issue to my wife be withdrawn. I understand my liabilities under Para. 5 A.C.I. 437/44, and do not wish to avail myself of the provisions of A.C.I. 1894/43".

3. The soldier's liability under Para. 5 A.C.I. 437/44 is that the withdrawal of Family allowance does not absolve him from his liability to contribute to the maintenance of his family and that he may be placed under stoppages of pay by the Competent Military Authority.

4. The provisions of A.C.I. 1894/43 are inter alia, that Family Allowance may remain in issue after estrangement (but not beyond the date of a Decree Absolute) providing the soldier is willing to contribute for appropriate qualifying Allotment.

5. Where there are children of the marriage (if there are none this should be stated) the following alternatives are available.

- A. If they are in the care of a person other than his wife, the soldier may nominate that person as guardian and Guardian Allowance will be issued.
- B. If the soldier is willing for the children to remain with his wife, normal Children Allowance plus appropriate qualifying Allotment may be paid direct to his wife or through a representative of S.S.A.F.A. who will ensure that the allowance is properly expended.

A.F.01700-2 must be submitted for action under Paras 5A and 5B.

6. A.D. 64 Part II must not be amended until confirmation is received from the Regimental Paymaster as the withdrawal of Family Allowance is not now effected until 6 weeks have elapsed from the date of receipt of the application by the R.P. or a decision is reached by the Competent Military Authority or the enforcement of a Compulsory Stoppage against the soldier, whichever is the earlier.

7. It is emphasised that the object of A.C.I. 437/44 is to avoid as far as possible the break up of home through insouciance and to give the soldier every opportunity of having an impartial report before making a decision. Advantage should therefore be taken of the facilities offered by S.S.A.F.A.

Sir,

Some time during the end of April 44, I completed the necessary forms to commence a P.O. savings Account starting with a payment of 30pounds sterling from credits on A.F. 1727a to be paid on 1st May, and a weekly saving of 3/6 per week commencing 1st June 44. I gave instructions that the Bank Book should to my mother residing at:-

be forwarded.

8, Westmoreland Road,
Walworth. S.E.17

The necessary entries have already been made in my A.B. 64 Ft.2.

I have had no confirmation that the a/c has been started, latest information received from my Mother (dated Sep 10th 44) is that no a/c book has been received.

I spoke to B.Q.M.S. ROBERTSON about the matter but as I left Rome two days later I do not know whether the matter has been taken up with the paymaster or not.

As I am worried about the whole position, may the matter be taken up for me, and also a 1483 be submitted to confirm rate of pay and stoppages and credit (or debit) balance.

I am,
Your obedient servant,

J. Robinson bpl.
