To: Camp Commandant,
Land Forces Sub Comm. A.C. (ISMA).

In response to an application made by this Unit to the Chief Base Censor for a Unit Censor Stamp, he states that the strength does not warrant the issue of a Stamp. It will therefore be necessary for us to continue to pass letters through your Office, and I shall be glad if you will continue to do this service for us.

THIS FORM WILL ONLY BE USED FOR CONSOLIDATED DEMANDS. PLAIN PAPER
WILL BE USED FOR DEMANDING ONLY A FEW ITEMS.

1. This form will be completed and sent to the appropriate Stationery Depot at least a week before the items demanded are required for use.
2. Army Forms and Books will be listed in numerical (not alphabetical) order. One line is enough for each item.
3. Commanding Officers are required to keep quantities as low as is compatible with efficiency, and to check any excessive consumption.
4. Supplementary indents will, if possible, be avoided. Commanding officers will ensure that all the items required are included in their regular periodical indents. If a supplementary indent is unavoidable, it will, if small, be submitted as a letter; if many items are required this form will be used.
5. Army Forms, Books and Stationery are costly. The need for the strictest economy in their use must therefore be brought home to all ranks. No attempt must be made to hold a large stock.
6. Attention is drawn to King's Regulations, 1935, para. 1633, under which all "of" returns will be made on plain paper and not on printed forms.
7. Where several copies of an Army Form have to be made out, it is often possible to make some of them on plain paper, by using plain paper even for the original, and putting "in lieu of A.F. so-and-so" in the top right-hand corner.
8. Wooden packing cases sent by Stationery Depots to Units must be returned, with their lids, as soon as possible. Failure to return cases promptly is likely to delay the despatch of the next consignment demanded.
9. Only H.Q.s of formations and units will submit indents.
10. Office Machinery and Publications will NOT be demanded on this form.

Subject: Application for Telephone Service.

To: See Distribution.

1. Telephone service in Rome is supplied under two separate classifications:

- a. Military.
- b. Civilian.

2. Applications for Military Telephone Service in Rome Area will be submitted to the Signal Officer, RAAC, by unit Signal Officers or a commissioned representative, and will show complete information on the following points (for Officer Billet Telephone, see par 4):

- a. Number of lines required (minimum).
- b. Name of Section or Headquarters.
- c. Directory information of Officers to be served.
- d. What, if any, civil lines now in place?
- e. Exact and accurate location by address and map coordinates.
- f. Whom to contact for further information.

3. Applications for Telephone Service for civilians.

a. It is recognized that in many cases civilians of all nationalities in Rome Area perform essential duties for the Allied Forces. Normally civilian outgoing telephone service is rationed: 4 outgoing calls per day for single line, 2 outgoing calls per day for double line.

3. Applications for Telephone Service for civilians.

a. It is recognized that in many cases civilians of all nationalities in Rome Area perform essential duties for the Allied Forces. Normally civilian outgoing telephone service is rationed: 4 outgoing calls per day for single line, 2 outgoing calls per day for Duplex or party line. Essential subscribers may obtain increase calling rate of 8 or 12, or unlimited calls per day when need is established by local or military authority.

b. In all cases where a commissioned officer can vouch for the necessity of telephone service for civilians, these requests will be considered by this office.

c. The following procedure will govern:

(1) For civilian office and duty telephones, commissioned officer, certifying the need for telephone service, will submit in writing the following information to the Signal Officer, RAAC:

- a. Full name of civilian.
- b. Directory listing for telephone requested.
- c. Exact address of the telephone.
- d. Telephone number of instrument in place, if any.

Ltr, 8 Dec 44 (Cont)

e. How many outgoing calls per day are necessary (incoming calls not rationed)?

f. Reason for making request.

(2) For civilian billet installations or increased calls, same as sub-par (1) except, add:

g. Number of calls presently authorized per day (if any).

(Note: Care should be exercised in forwarding such requests, since it is not the intention to assume responsibility for payment of personal service).

(3) For civilian telephone service not essential to the military, requests are submitted by the civilian, direct to TETI, 208 Corso Vittorio Emanuele, Rome. Statements from members of the Allied Forces in this respect are meaningless.

4. Additional information on Real Estate requisitions.

a. Requisitions on billets do not include telephone service.

b. To obtain military priority for billet telephones (unlimited calls and the responsibility of the accounts), a definite need must be established for:

- (1) General Officers.
- (2) Chief of Sections.
- (3) Key personnel requiring 24 hour contact (calling).

c. The following information will be furnished to the Signal Officer, RA&C, for billet telephone service:

- (1) Directory Service Information
