Reference your message No A 4 dated 11th June 1944.

Copy of Sub Area Order No 131/43 is forwarded as requested.

Further to copy of Sub Area Order it is suggested that a local washerwoman be employed two days per week at Lire 50 per day to do the mens washing as the contract rates are not too favourable and it is questionable if it would be possible to open a contract when the numbers required to wash for are so small.
