SUBJECT: Replacement of 'A1' personnel from RASC, RAOC and PIONEER CORPS (below the rank of Corporal and under 30 years of age as at 31 Dec '44) for training at IRTD and eventual transfer to Infantry. (Authority: AFHQ letter CR/366/G1(Br) of 31 Jan).

---

1. At the direction of AFHQ and in conjunction with the Heads of Services immediate steps are being taken to withdraw certain personnel from RASC, RAOC and PIONEER CORPS on the posted strength of HQ units.

2. These men, who must be BELOW the rank of Corporal and UNDER 30 years of age as at 31 Dec '44, will, on replacements being received, be sent to IRTD for training and eventual transfer to Infantry.

3. They will be replaced by low medical category personnel who have passed through one of the Army Selection Centres.

4. Personnel used as replacements possess qualifications similar to those men they are intended to replace. Alternatively, they have been specially trained with an operating unit and mustered or recommended for mustering, by a Technical Officer of the Arm to which they are being transferred.

6. Will you please complete and return the enclosed nomination form (a duplicate is attached for filing) to show the number, rank and name of all men available for withdrawal and replacement under the conditions set out in this letter.

7. It is essential that you clearly indicate the precise nature of the duties being performed by the men nominated, so that arrangements may be made to send suitable personnel as replacements.

8. It must be noted that it is the responsibility of the O.C. of the Units from which men are to be withdrawn to nominate, and in due course to despatch to IRTD, only personnel who comply with the conditions laid down, and who are, in all ways, considered suitable for training and eventual transfer to Infantry.
