The training received by R.A.M.C. other ranks in the army trades of Nursing Orderly, Mental Nursing Orderly and Special Treatment Orderly has been considered by the Assistant Nurses Committee of the General Nursing Council for England and Wales and the Registration Committee of that Council, who have agreed :-

(a) that applicants submitting the Nursing Orderly Class I (One) qualification obtained on or before 17 Mar 43, will be regarded as eligible for admission to the Assistant Nurses Roll as Existing Assistant Nurses.

3. V.D. - TRADESMEN'S RATES OF PAY.

Paragraph 2 (c) of G.R.O. 161/44 was deliberately omitted from the republished version under G.R.O. 1056/44.

The contraction of V.D. is not a ground for disrating a tradesman.

4. CASUALTIES DUE TO ACCIDENT OR SICKNESS.

Further to this H.Q. C2E/R5/Instruction No.12 dated 10 Mar 45, para.1.

It is emphasised that in cases where AF W3011/12B is rendered in respect of a Battle Accident, brief indication of the cause of the injuries must be included. (G.R.O. 793/44 Sec.III, para. 2(d) refers)

5. PART II ORDERS - EXTRACTS.

Where relevant extracts of Part II Orders have not been received at Units in respect of casualties rendered on AFs W3011A/B/C up to and including 31 Dec 44, duplicate copies of such AFs W3011A/B/C will be rendered to this H.Q. as soon as possible after receipt of this instruction. Duplicate AFs W3011A/B/C need not be so rendered where the casualty in question is the subject of outstanding correspondence. At the expiration of one month from the date of this instruction AFs W3011A/B/C in respect of which all Part II Order action has been taken, will be destroyed.

NOTE : Admissions to and discharges direct from hospital will be rendered on AF W3011B. It is requested that where relinquishment of or reinstatement to acting Rank or Appointment is necessary, such casualty is included in the report of Admission to or Discharge from hospital. Where a soldier does not rejoin his unit direct from hospital, but is posted to a Reinforcements Unit or Depot ("X" (4) List) before rejoining, this strength increase will be rendered on AF W3011A.

7. Documentation - Officer postings.

1. There appears to be a certain amount of confusion in Units as to the correct method of striking Officers off strength when posting orders are received.

2. The following points and examples are set out in order to clarify the position :-

(a) When a posting order is received naming no specific effective date, the Despatching Unit will strike Officer off strength with effect from date of departure and the Receiving Unit takes the Officer on strength with effect from date of arrival. Casualties will be rendered accordingly.
Date of posting for record purposes will, in fact, be the date following the day of departure from previous Unit or Depot. This date will be ascertained by GHQ 2nd Echelon and notification will be made in relative Part II Orders subsequently published.

(b) When a Posting Order states the effective date of posting, then each Unit will record the casualty with effect from that date.

(c) When posting involves promotion, the effective date for promotion is the date of reporting for duty to the new Unit. A separate casualty notifying promotion will be published and despatched to this HQ.

(d) Where Posting Orders to other Theatres contain the words "and will be SOS this Theatre with effect from the date of embarkation", this information is included for use by this Headquarters only. Units will strike off strength with effect from date of leaving to proceed to Port of Embarkation.

(e) Units are NOT empowered to post to "X" Lists. On receipt of authority from HQs competent to issue instructions which will involve the posting of an individual to "X" List, OsC Units will strike personnel off strength of the Unit under command by the publication of a casualty on the following lines :-

"SOS of.....on posting to "X" (A) List

Authority....."

Declassified E.O. 12356 Section 3.3/NND No. 785020

(c) Where Posting Orders to other Theatres contain the words "and will be SOS this Theatre with effect from the date of embarkation", this information is included for use by this Headquarters only. Units will strike off strength with effect from date of leaving to proceed to Port of Embarkation.

(d) Units are NOT empowered to post to "X" Lists. On receipt of authority from HQs competent to issue instructions which will involve the posting of an individual to "X" List, OsC Units will strike personnel off strength of the Unit under command by the publication of a casualty on the following lines :-

"SOS of.....on posting to "X" (4) List

Authority....."

Such casualties will be published only when specific information is embodied in the Posting Order to the effect that individuals will be taken on the strength of "X" (4) List.

3. Posting Orders, when received, should be acted on quickly and intelligently - see GRO 754/44. If compliance is impossible, the matter should be reported immediately by telephone or cable to AFHQ and repeated to this Headquarters.

4. Where a Unit receives a Posting Order stating that an Officer is posted to that Unit, if the Officer or Officers concerned do not join within reasonable time, the matter should be reported as in para 3 above.
