1. There has recently been a great scarcity of private mail reaching this office for British Officers and other ranks.

2. In the case of officers the address used is: "Military Mission to Italian Army, C.M.F." and all letters are normally forwarded by "M.M.I.A. Hq." No mail whatever has been received in this office for either Maj. MONICO or Capt. THRUPP for over 4 weeks. Will you please look into the matter as it is possible that mail is accumulating, being lost or wrongly forwarded.

3. Other ranks are using "Hq. A.C.C., Army Sub Commission" as address and were instructed to continue doing so after the departure of Hq. A.C.C. Here again mail is very scarce (Pte. MC Fee has not received a letter since the end of May).

4. ^AAs it is desirable that all ranks should use the same address and receive their mail through the same channels it is requested other ranks be allowed to use "Military Mission to Italian Army, C.M.F.".

5. For your information, the British contingent in this office is as follows: -

1096

Maj. J.R. MONICO -
Capt. V.C.J. THRUPP

(Not to be confused with Maj.
H.E. THRUPP, M.M.I.A. LO 3
