1. Rendition of Returns from the Medical Directorate, Ministry of War are not being received at this office by the required date.

The delay, especially in respect of supplies, leads to their late submission to higher Allied Authority. Disinfectants will not in future be demanded from Allied sources unless the return is received by the 5th of each month.

2. Instructions for these returns have been issued in the past and in MEIA Administrative Instruction No. 3. A summary of those required from the Medical Directorates has been extracted and attached at Appendix 'A'.

3. Please arrange in future for the prompt rendition of all returns.
