NO. 17

1/22/245

5 Dec 44

Further to para 17, Land Forces Sup Commission AG. (A.L.) Administrative Instruction No. 48 of 4 Dec 44 to Ministry of War.

1. All Italian personnel held in the roles of the present Italian Army may, if necessary, remain in hospital for a total period of 60 days from the date when first evacuated from unit lines. Personnel who have been in hospital or convalescent camp for a period of 60 days will either:

- (a) be demobilized, discharged from the hospital or convalescent camp and hereafter be issued to Army regions,
- or (b) be transferred to civil hospitals, dropped from the strength state of the Army and issued to Army regions until they return to full duty with the Army,
- or (c) be returned to full duty with the Army.

2. The only exception to the above rule will be made in the case of seriously ill patients to whom movement is impossible or likely to prejudice their medical condition. In all such cases application for retention in a military hospital will be made on MIL Form N 22.

3. Specimen copies of MIL Form N 22 (in English) are attached. Ministry of War will arrange to print and distribute necessary copies (in Italian) to all Italian military hospitals. Two copies in respect of each application will be forwarded to MIL.

4. On the last day of each month, all O.S. military hospitals will render nominal rolls of all patients in hospital over 60 days to the Ministry of War. This will consolidate these returns and forward one copy to MIL Form N 22. This cancels the "over 60-day" return at present rendered.

5. This instruction cancels all previous orders on this subject.
