Many soldiers coming from various Military Territorial Commands and sent to the ports of embarkation for Sardinia report to concerned Commands without the green form B and the money required for the purchase of the railway ticket to reach the respective further destinations by land after arrival in Sardinia.

In order to eliminate inconveniences deriving from this fact, please call the attention of the units concerned to observe strictly instructions in force i.e. the following must be issued to the soldiers going on leave to Sardinia:

- a travelling ticket to the port of embarkation;
- green form B for sea journey;
- request for movement by rail from the port of arrival to the place of destination;
- sum for the ticket, also for any journey to be made with secondary railways or buses.

Furthermore, the travelling documents should show the amount of money paid to each soldier.

As far as possible, soldiers should be formed into squads commanded by a soldier.

With the occasion and amending in part circular 2786/T/1522 dated 20/8/45, we would point out that, w.e.f. 9th inst. the new military prices for the voyages in question are as follows: Naples - Cagliari lines and viceversa, first class cabin lire 2783 each, first class double cabin lire 1262, third class lire 1086,80, deck lire 878,80; line Civitavecchia-Olbia and viceversa, first class lire 1342, second class lire 1124, third class with berth lire 687, deck lire 551.

The general income tax of 4% is included in the above prices.

The present circular cancels circulars No 1908/8/5256 dated 28/7/46 subject as above.

Territorial Commands will distribute the present circular to all the units under their command.

Kindly acknowledge receipt.
