With the same at Terlizzi, progress after 13 July will depend on the availability of railway transport.

Of the 30 trucks authorised by S.M.E., 24 have left for their destination, including 13 wagons with 50% of Folgore Div's allotment and two wagons with 20% of Legnano Div's.

3.

Terr HQ have been advised to ask S.M.E. for 5 wagons every day, which is the number that can be dealt with. It is hoped to get a better allotment in this way than by asking the Railways for a large total number of wagons which they cannot supply.

4.

Ammunition taken from 501 B.A.D. up to 9 July is shown in the statement attached.
