Subject: Tanks for Mine Field Clearance (Casadio Firm). -

Reply to letter 154/Q dated 7/11/46. -

The "Ugo Casadio" Firm of Turin has pointed out the necessity of permanently possessing the two L6 and the one CV3 tanks which temporarily are used by the firm following the consent granted by your MMIA with letters Q L54 dated 27/9/46, 31/10/46 and 7/11/46. -

The request is justified by the fact that the firm must bear the heavy expense of approx. 4 million in order to modify the tanks and adapt them to mechanical mine clearers.

As the purpose of the a/m firm is of a social concern, this Ministry has no objections in consenting the permanent release of the three tanks in question for which your approval is asked. -
