Ref your Q 153 of 22 June 46.

1. 4 Territorial Command have passed to this unit 5 bills in respect of Chevrolet R.E. 4273 Engine N° 2020889.
2. The total of these bills for repairs on this vehicle, requested by Major BYATT, is 108,236 lire 80 Cts.
3. By a Ministry of War directive the Territorial Command is not allowed to spend more than 75.000 lire on repairs to any one car.
4. 4 Territorial Command has further stated that it does not wish to pay these bills as they will not have the benefit of the vehicle which has been forwarded to ROME for the use of MMIA. They would rather use this money to put two or three other vehicles on the road in this area.
5. Some of the bills are outstanding since March 46 and are all owed to civilian firms. A woman, the owner of one of the firms has been to the BLU this week and made a rather embarrassing ~~scene~~ scene and has threatened to take legal action for the recovery of the amount due to her.
6. 4 Territorial Command have said that to avoid trouble they are willing to pay , on condition that they have the use of the car in this area. 4039
7. Before departure to H.K. on leave Lt. Col. Douglas GI said that he agreed with the Territorial Commander on paras 4 and 5 above.
8. Can you please state what will be the accounting action and who will pay these bills in order to avoid a local scandal as per para 5 above.
