WELFARE - BARI AREA

1. With the recent withdrawal of the Army units from this area followed by the closing of R.A.F. Bari all welfare facilities have ceased.
2. In the near future the only Allied personnel here will be from isolated units of Allied Commissions. These units are Air Forces Sub Commission M.M.I.A. and Displaced Persons Divisions. Personnel of these units number approx 30 and there are also some wives and families in the area.
3. Representatives of these units have discussed future prospects with a view to arranging some welfare facilities for officers and other ranks in the area and also accommodation for personnel in transit when the Hotel Imperiale is closed, and decided to request authority for:-
 - (a) The continuation of the present requisition of club premises and flats above, on behalf of Allied Commission.
 - (b) Issue of certain rations to the club and transit flats as previously done by the Army and latterly by the R.A.F.
 - (c) Issue of certain MAAFI commodities as in para 2.
4. Mr. Crisford, who is a British subject resident in Bari and has been running clubs voluntarily for Army and R.A.F. welfare, is prepared to continue doing so on behalf of isolated units, providing the necessary authority for issues can be obtained.
5. As there will be no facilities whatsoever and it is most essential to provide some amenities at least for other ranks and transients it would be appreciated if this matter could be taken up immediately at A.C.H.Q. and permission to run this organisation be given.
6. Local units can arrange for the drawing of rations etc., along with their own after R.A.F. Bari and D.P.S. are closed.

1. It has now become necessary for this unit to make use of 9 Reparto (Italian) for repairs to vehicles.

2. Enclosed please find the first receipt in the form arranged by GHQ 2521/Q1 of 11 June '46. Pro forma attached to your Q.204 of 20 Aug. 46 refers.

3. In the case of this receipt for the a/m M/C. the DAA. & QMG of this BLU has signed in the place of REME BLU as there is now no REME here. In this case the cost of repairs at about £6 seems reasonable but it would be appreciated if you could give some ruling on this point for the future. It should be possible for this unit to certify work as satisfactory in most cases but have we authority to certify costs as fair & reasonable ?

4. Pending your instructions on this point we have not yet given 9 Reparto their copy of this receipt.
