2. BSA C 5548015. Copy of BLR Certificate by 591 German (SF) Ind Wksps Platoon R.A.S.C. is forwarded herewith. Only one copy of BLR Certificate was received and was forwarded to HQ CASERTA Enclave to support indent for replacement. No replacement has been received.

3. Jeep 5661635. This Jeep was notified verbally BLR by 608 German GT Coy Workshops and parts were used to repair Jeep WD No M5662552. No BLR Certificate has yet been received probably due to disbandment of 608 German GT Coy. Action has been taken with HQ CASERTA Enclave to obtain BLR Certificate.

HQ R.A.A.C.

SUBJECT: Fillers 5 cwt, 4 x 4,
WD No 5061635

1. The a/m vehicle was held on charge of 10 BMU Naples and shown on this HQ consolidated Census Return submitted to GHQ STATCENTRE.

2. In December 1946 it was reported by OC 10 BMU that the vehicle had been handed in during November 1946 to 608 German G.T. Coy workshops and declared BER.

Instructions were sent by this HQ to obtain BER Certificate without further delay.

3. Correspondence ensued between 10 BMU and Caserta Enclave copies of which are not available at this HQ.

10 BMU was disbanded on 1 January 1947 and enquiries continued through our IO at Naples.

Owing however to the disbandment of 608 German G.T. Coy workshops and later of Caserta Enclave no record of disposal of the vehicle in question could be found.

4. You are requested to state whether any such record can be traced among files which may have come into your possession.

May confirmation also be given of the dates 608 German G.T. Coy workshops and Caserta Enclave respectively ceased to function.

Director.

Dear Reg

Many thanks for your Q/T/1 - 13/LF dated 25 Jun 47.

In view of the fact that we are likely to disband a bit earlier than I thought, I think it will be best if we carry on as we are. However I would be grateful if you could earmark one of the Staff Cars for me, as it would be useful provided that we could have it fairly soon after 'R' Day, say by R + 7. I could let you know later as we still have hopes of getting something out of G.H.Q.

We will not now be requiring the Chev H.U.P.

Yours Tom

1. The situation has been carefully examined and a State showing veh. holdings as at 4 Jun 47 is attached.

2. With the exception of one t/c it is not considered that any reduction can be made. On the contrary it is thought that a good case exists for an increase. Owing to the great age of most of the vehs, it is rarely possible to produce more than 50% of entitlement on the road at any one time.

3. A very large area has to be covered by Officers of this Unit, mileage has recently been increased and will continue to increase owing to the arrival of the "Mantova" and "Folgore" Divs. A reduction in Tpt would definitely sabotage the work of the B.L.U.

4. On various occasions Terr. Cond have come to our assistance in the matter of Tpt, but their own position is extremely precarious. I also feel that frequent requests for the loan of Italian Tpt is not good sales talk for British vehs.

Dear

I am sorry to learn you are hard pressed for transport as I hoped you would be able to get "service" from GHQ and AGRA.

We are living from hand to mouth ourselves, have no good workshop facilities, and only with difficulty can keep an essential minimum of vehicles of the road.

I am doing my best to send you something reliable as I realise your job becomes impossible without mobility. I anticipate being able to send you a Jeep about the 6 July and am prepared to order the transfer of a Fordson Staff Car from 6 BDU if you can send someone to inspect it and decide if it is worth having. (See attached letter to 6 BDU).

Immediately we receive orders to disband i.e. "D" Day, I have to keep 4 cars here but can then send you a staff car and will make it the best available. I shall be sending one also to Gibbons at GHQ and his present car, a Humber 4 x 4 could also be transferred then to you.

We have no tyres in stock but GHQ should be able to help you to keep "shod" if that is one of your troubles.

Yours,

Lt Col A.H.C. WATTEN, DWE

SUBJECT: Vehicle Holdings

PRIORITY : "P" (PRIORITY)

1. Due to heavy wastage and to large shipments out of this theatre there is a grave shortage of all types of vehicles particularly 3 Ton and 15 cwt G.S. There are no withdrawals to be met and resources must be found.

2. There are no holdings of serviceable vehicles in Vehicle Parks and there is grave R.A.S.C. workshops capacity for any line overhaul.

3. Many units are holding vehicles surplus to WE and G 1098. These vehicles are constantly under repair and therefore are uneconomical.

4. All units not proceeding to MTE or BAOR will review vehicle holdings before their date of disbandment and report what vehicles could be made available :

(a) For immediate reissue or shipment out of theatre.

(b) For repair in 2nd line Workshops and subsequent reissue as reliable vehicles.

5. Report will be submitted to indicate whether vehicles are runners or not and where they cannot be made immediately available dates in which they can be released. Replies are required by this HQ before 1200 hrs - 14 April 47. NIL returns are required.

6. Please treat these instructions as urgent.

1. W/E 4 cwt 4x2 Van 5667611. Part A orders will be issued by IAOD (formerly RAOC). See our Comp Plan dated 2 Apr 47.

2. FIAT 3 Ton 4x2 Ambulance 5220228. As far as can be remembered Lowndes Camp desired to get rid of this vehicle. A liaison officer of 10 BAD arranged that the vehicle could be handed in to the Italian Army Vehicle Park. It is believed this was later done. No one of 10 BAD ever saw the Vehicle and no trace can be found in 10 BAD files which were kept. If Lowndes Camp issued Part A orders voucher this vehicle over to 10 BAD, then this was a definite mistake and it is requested this be amended.

3. [redacted] 1 Ton 2 Wh Water Trailer 5161690. On disbandment of 10 BAD this was handed in to [redacted] Caserta. The receipt was sent to [redacted] (now IAOD) with 10 BAD disbandment completion Report. [redacted] should then have published Part A orders. 3. [redacted] 1 ton 2 whl water Trailer 5161693. On disbandment of 10 HAD this was handed in to 610, Geneva. The receipt was sent to [redacted] (now 1660) with 10 HAD disbandment Completion Report. 1. Attached is copy of HQ Caserta Enclave letter CCMD/Q/1808 dated 10 Jan 47 referring to vehicle mentioned in (a) above. It is believed that this letter was never forwarded to you (due to 10 BLU disbanding at the time) and consequently in all probability no PartX orders were issued. It is much regretted this happened. Will you please publish the relevant Part X orders. This vehicle was drawn to replace 4508564 which was backloaded by 523 RASC Workshops - Ref our Camp Gen dated 31 Jan 47.

2. Attached is 3 District letter 631/2 Q dated 14 August46 referring to vehicle mentioned in (b) above, together with Release note A/5539 for this same vehicle. Part X order for this vehicle was issued by you on the 12 Sept 46 under reference Q/T/15. This vehicle was subsequently stolen. An application for write-off was made to HQ Caserta Enclave and it is strongly believed this write-off was received by this unit, but now no trace can be found. An attempt will be made to procure a true copy of this write-off certificate; it will then be despatched to your HQ.

3. The Jeep mentioned in (c) above was BLRd and in spite of subsequent enquiries to HQ Caserta Enclave no BLR certificate has yet been received. Here,too, an attempt will be made to obtain this certificate and then forewarded to your HQ.

1. This Unit has on charge a DODGE 3 ton truck WD No L 5175058 which skidded off an iced road three days ago and is B. L. R.

2. As this Unit is in course of disbanding, and has received orders to close down by the end of this week, the usual procedure of backloading this vehicle by rail would require too much time, it is therefore requested that you send a recovery vehicle to collect it. Damage sustained by the vehicle is such that it will require a suspended tow, the chassis being twisted at the front and the front spring distorted.

3. Could you please forward B.L.R. certificate for this vehicle direct to Land Forces Sub Commission, AC. HQ MMIA, ROME . APO S 551.
