To: H.Q.,

1. This Unit holds against W.E. one staff car No: 1560133. This car is in bad condition and REFE would BLR it if asked to do so. Up to now it has been kept on the road, but the time will come when it will have to be BLR'd.
2. It is understood that the present practice is to replace BLR staff cars by PU's. It is pointed out that this Unit cannot maintain its efficiency without at least one car for the following reasons :-
 - (a) The C.O. cannot maintain his dignity in the eyes of the Italians if he travels in a "truck" as opposed to a car.
 - (b) Officers of the B.L.U. travel on duty to all parts of ITALY. A PU is unsuitable for long tours.
3. Before action is taken to BLR the present car, information is requested as to the prospect of obtaining another car in replacement.
