Ref letter ST/100 of 19 Oct 45 by which MSHA allocated Hospital Diet Items for the month of Nov 45, we point out that TURIN Commissariat Directorate has notified that the quantities allocated have not been consigned because the 42 BSD of GENOVA, which should issue them, has ceased supply.

The TURIN Commissariat Directorate has contacted 1 BBU to expedite issue by 42 BSD, but so far no answer has been received.

Therefore we ask MSHA to take the necessary steps in order to have the hospital items issued to the unit concerned.

1. MEDICAL SUPPLIES

Hospital Diet Items and disinfectants are supplied in bulk from British RASC sources to the Italian Armed Forces. Releases are made monthly on the basis of a demand by ADMS, this HQ. Hospital Diet Items are taken into Italian Army Bulk Food Depots or Food Distribution Depots for eventual distribution to hospitals only.

Disinfectants are taken into Italian Army Medical Supply Depots, under the control of the "Divisione di Sanita'", each Territorial HQ. Detail issue issue is made from Medical Supply Depots, not Food Depots.

Release of Hospital Diet Items and disinfectants ex 46 BSO for September is being forwarded to you today under separate cover.

Accounting for bulk receipts ex British depots is the same as for rations; i.e., Acceptance Notes IMIA Form 32/3.

2. P.O.L.

Diesel oil is not allocated for cooking purposes. Supply of fuel oil for cooking for BR-ICI units may be allocated at the discretion of the local Sub-Area, Area, or District Commander. Application should be made to 'G' of the local British formation for BR-ICI units.

No provision is made for the supply of fuel for cooking for other categories of Italian Armed Forces from Allied sources. Normally, fuel (firewood) is procured from Italian sources under arrangements of the local Territorial Commissariato.

The following observations are made:

1. The Deposito Materiale Sanitare was deficient of 3 officers and 8 other ranks. It is impossible for this unit to be efficient without the proper staff.  
This is the third or fourth time this matter has been referred to you by MMIA.
2. Disinfectants for the month of JUNE have not yet been drawn due to lack of transport. This excuse cannot be accepted especially as the journey is a very short one.  
Please investigate and take such action as is necessary.
