1. The situation with regard to the Garibaldi Regiment is viewed with grave concern by the Supreme Allied Commander.

2. You will ensure that the Regiment is brought up to strength immediately. This implies

- (a) that the posted strength is equal to the War Establishment
- (b) that the parade strength is equal to the posted strength less the authorized allotment for leave (15% while liberation leave is still in progress) and genuine hospital cases. Men absent without leave will be carried against the 15% allowance for ordinary leave.

3. Men now absent from the Regiment will be dealt with as follows:

- (a) Those on liberation leave in M. ITALY will be concentrated at suitable points for rail movement to TRIESTE. You will inform MIIA earliest of the number required to be moved.
- (b) The number of men absent without leave, which will include all under (a.) whose whereabouts are not known, will be communicated to MIIA. A decision will then be made on whether or not they can be struck off strength without the normal 30 days period.

4. In order to meet the immediate deficiency in the parade strength

(b) that the parade strength is equal to the posted strength less the authorized allotment for leave (15% while liberation leave is still in progress) and genuine hospital cases. Men absent without leave will be carried against the 15% allowance for ordinary leave.

3. Men now absent from the Regiment will be dealt with as follows:

(a) Those on liberation leave in N. ITALY will be concentrated at suitable points for rail movement to TRAMI. You will inform MMIA earliest of the number required to be moved.

(b) The number of men absent without leave, which will include all under (a.) whose whereabouts are not known, will be communicated to MMIA. A decision will then be made on whether or not they can be struck off strength without the normal 30 days period.

4. In order to meet the immediate deficiency in the parade strength of the regiment 400 reinforcements will be posted forthwith from INTC CRESANO. If necessary men may be taken from arms other than Infantry, 9th Artillery, or from personnel attending courses.

5. Transport for these 400 reinforcements to be sent to TRAMI is being placed at your disposal. The party will leave CRESANO on the morning of 15 July at the latest.

4. On the commencement of the bulk drawings, D.A.D.S.T. 56 B.L.U. has been requested to arrange for a responsible Officer from the Group to report to A.D.S.T. 55 Area on the completion of each drawing to confirm that the supplies drawn are satisfactory both as regards quality and the quantities issued.

5. A.D.S.T. 55 Area will please report to this office any adverse reports made by the Officer from the Group on the supplies drawn, and particularly in the case of any disabilities that may arise.
