1. All S.T. Co-operator units, with the exception of "increments to BSDs", are at present organised on integrated establishments comprising in each case a British and an Italian element. It will, therefore, be necessary to reorganise these units when Co-operators are released to BR-ITI Italian Army status.

2. It is proposed to disband the "increments to BSDs" and to reorganise the remaining units on the lines stated at Appendix "A" to this letter. A summary showing the present and proposed W.Es. and strengths is attached at Appendix "B."

3. Will you please confirm that the W.Es. on which it is proposed to reorganise the Italian units will provide the personnel necessary for unit administration. It is appreciated that the personnel required to complete units to W.E. strength may not be immediately available.

4. As soon as confirmation has been received that the W.Es. are acceptable, application will be made by this Directorate for the reorganisation of the units.

5. The undermentioned S.T. units (units in NORTH AFRICA have been omitted) also include Co-operator elements which cannot be organised as administratively self-contained units. It will, therefore, be necessary for these Co-operators to be withdrawn. In certain instances, application may be made for their demobilisation in order that they may be retained as civilians to be employed within W.E.
