MMIA LO BOLOGNA

8 Nov 45

Reference telephone conversation Captain THURPP - Major NELSON
7 Nov 45.

1 Attached hereto four Acceptance Notes, MMIA Forms ST/3, in quadruplicate, for subsistence despatched from US Quartermaster Depots REGIMON and FLORENCE to No.6 Food Distribution Depot BOLOGNA.

2 It is requested that you have the OC No.6 Food Distribution Depot BOLOGNA sign lower left corner of Acceptance Note all copies of each transaction, and for you to countersign all copies.

3 Each Acceptance Note has been made out for quantities of subsistence reportedly loaded by FBS QM Depots. The Italian Military is being held accountable for amounts received; i.e., amounts off-loaded by No.6 Food Distribution Depot BOLOGNA.

4 Since it is anticipated that there are some losses in transit, Acceptance Notes will require modification indicating, for example:-

<u>Item</u>	<u>Unit</u>	<u>No. of Units on loaded</u>	<u>Net wt in lbs per unit</u>	<u>Total Net lbs on loaded</u>
FLOUR	Bags	770	100	76,345 @

@ 10 sacks received in damaged condition with a loss of 655 lbs

5 Numbers of rail cars in which subsistence was despatched, have been included on respective Acceptance Notes.

6 Disposition of Acceptance Notes is as follows:-

- Original: Return to Headquarters MMIA.
- First Copy: Ministry of War through Dires. Commissariato BOLOGNA.
- Second Copy: Dires. Commissariato BOLOGNA to retain.
- Third Copy: No.6 Food Distribution Depot BOLOGNA to retain.

(Land Forces Sub Commission AG (RMIA) letter ST/156 dated 8 Nov 45)

7 Request that you advise OC No. 6 Food Distribution Depot and Dires. Commissariate BOLOGNA that Acceptance Notes will be the only charge against the Italian Government for respective consignments. Any prior Acceptance Notes or receipts will be cancelled after Acceptance Notes referred to above have been signed.

8 It is anticipated that there will be no further consignments direct from US QM Depots similar to the ones for which Acceptance Notes have been drawn up.

9 In case of any query, please contact ST this headquarters.

10 Any correspondence ("verbale") relative to consignments for which Acceptance Notes have been made, should be forwarded to this headquarters at the same time as Acceptance Notes are transmitted.

1. Forwarded herewith are figures on the present status of rations between ITIS and 61 BQMD as compiled by Lt. Snyder.

2. There is apparently some mixup in regards to your Q-537 as 61st has no authority for that release.

3. Another point that causes confusion is your use of the terms dried veg. and meat/fish instead of the specific item released by MFOUSA.

4. Until the ITIS get the lead out and will accept all releases here in Leghorn bulk depot there will continue to be delays and mixups on quantities and receipts.

5. I notice that your ST Branch Operating Inst. #4 recinds nos. 1 and 2. I don't have copies of nos. 1 and 2. I am sending as few signals as possible as it is a major operation to get one off at this Hq. and I don't get the file numbers back for several days, if at all. Also PBS shipping reports are slow in coming through. This may be due to Capt. Boyles' absence.
