Your letter 7964 of 12 April 45 refers.

1. Bid for allocation of Hospital Diet Items for the month of May has already been submitted to ADST.
2. It is recommended that you despatch requirements of Hospital Diet Items from BARI to CHINTI Distribution Depot in the normal ration pack. Advise Ross Commissariate not to issue to CHINTI Military Hospital. There is an adequate reserve stock at the BARI Bulk Depot to meet this demand.
3. Subsequent allocations for the Bari and Ross areas will be made accordingly.

SUBJECT :-

Special diet items for the military hospital
at Chieli.

In your ST/33/13 of 15 March, you agreed
that the Chieli military hospital should draw
rations from the Ortona Distribution Depot
instead of the Rome Distribution Depot.

We therefore ask you to ~~kindly~~ see that
the anticipated requirements for the above
hospital should come under the Bari area
and not the Rome area in the next
monthly allocation of hospital diet items.

Subject: Italian D.I.D. at ORTONA.

1. Reference my JB/85 explaining that the Italians here had no possibility of collecting feed supplies from BARI by road, and my JB/88 of 2 OCT explaining that a crisis had arisen because Italian D.I.D was out of feed and the local British D.I.D being used to feeding 1,200 could not suddenly cope with an extra 4,500.
2. Your MMIA signal ST/341 <sup>of 27 Sep.</sup> was not passed on to me by 67 Garrison as they were mystified by the beginning- 'For MMIA.LO. Para Rome Area'.
3. The necessary authority from Twedie has been obtained by 67 Garrison to feed the Italians on day to day basis for five days until their own supplies are brought up by rail.
4. It would be appreciated here if, <sup>when</sup> the Direzione Comisariato at BARI is not allotted rail transport for feed supplies that Twedie be <sup>immediately</sup> informed so as to increase supplies to the British D.I.D. thus avoiding difficulties at this end. Day to day collection of rations in this area is, through lack of transport, extremely difficult.
5. MMIA will be informed by me of exact amounts drawn from British D.I.D.

PRECIS.

To Chief Clerk:- NOT REGISTERED.

Subject: Supply of rations.

Delegazione A state in their 25/2 that they are informed by local Allied Authorities that no trains with food can come from BARI to ORTONA for the moment.

This puts us to great difficulties to feed Italian tps. in that Area.

Could you possibly authorise the British D.I.D. at ORTONA to supply the Italian tps. SOUTH of the line of the CHIANTI river until trains come from BARI once again.

Up to a few days ago the said Delegazione did draw rations at that D.I.D. so it will only be prolonging the arrangement.  
I do hope you will expedite please.

Con foglio urgentissimo N.2542 del 25 corr. la Delegazione A dello Stato Maggiore R.E. informa questo Ministero che le locali Autorità alleate, con la comunicazione allegata in copia, hanno informato che temporaneamente la ferrovia Bari - Ortona non può essere utilizzata dalle truppe italiane per i loro rifornimenti.

Tale divieto pone in serie difficoltà gli organi addetti ai rifornimenti delle truppe dislocate a sud della linea del Chienti soprattutto a causa della deficienza dei mezzi di trasporti automobilistici in dotazione agli enti ivi dislocati.

Tali mezzi infatti oltre ad essere in condizioni assolutamente inadatte all'espletamento del servizio non possono risolvere il problema in quanto il quantitativo di generi che essi possono trasportare non è sufficiente ad assicurare il vettovagliamento delle 6.500 unità di stanza nella suddetta zona.

Tale divieto pone in serie difficoltà gli organi addetti ai rifornimenti delle truppe dislocate a sud della linea del Chienti soprattutto a causa della deficienza dei mezzi di trasporti automobilistici in dotazione agli enti ivi dislocati.

Tali mezzi infatti oltre ad essere in condizioni assolutamente inadatte all'espletamento del servizio non possono risolvere il problema in quanto il quantitativo di generi che essi possono trasportare non è sufficiente ad assicurare il vettovagliamento delle 6.500 unità di stanza nella suddetta zona.

Tanto si rappresenta a cotesta Sottocommissione di controllo per l'Esercito perchè voglia compiacersi autorizzare l'Intendenza Inglese di Ortona a distribuire la razione viveri alle truppe italiane dislocate a sud della linea del Chienti - 6.500 razioni giornaliere - finchè non sarà possibile riutilizzare la ferrovia Bari - Ortona.

All'uopo si rende noto che presso la detta Intendenza ha sino a qualche giorno fa effettuato i prelevamenti la ci-tata Delegazione e che pertanto tale provvedimento costitui-rebbe il prolungamento di quanto per questo è stato finora praticato.

Si rimane in attesa di un cortese urgente cenno di ri-scontro.-
